November 26, 2021 - PRESSADVANTAGE -

Starting Point Real Estate, one of the leading cash for homebuyers in St. Louis, has announced closing deals in just 5-days. What that means is that those selling their homes can get the cash offered in just 5 days.

St. Louis, MO - Starting Point Real Estate announced that the company would be catering to people who want to sell their homes fast by closing in just 5 days. People who have often thought, "How do I sell my house fast St Louis?" can now be assured of a quick sale if they decide to accept the company's offer. The leading cash for home buying company has also announced that their offers will be the best and most generous that sellers can find in the city.

Many people who think about selling their homes in St. Louis, Missouri, often embrace to encounter lots of disappointment. The fact is that the vast majority of homes don't sell all that easily. Often homes will languish on the market for months and even then not sell. One of the reasons is that the homes are not up to what's referred to as "market condition." Though bringing a home up to market condition can be expensive for many homeowners, which makes it impossible. That's where selling a home to a cash-for-home buying company makes the most sense.

"Today, we buy houses St Louis and beyond without needing that the homeowner invests thousands of dollars in repair. The houses we buy are often in far less than great condition, and the homeowners even leave their trash behind for us to pick up. We do all of that while at the same time promising to put cash in the seller's pocket in a few as 5-days," said a representative for Starting Point Real Estate.

She added, "We also buy houses Saint Louis which are nearing foreclosure."
