

Siam Legal Announces Thailand Privilege Next Member Promotion for Families

May 22, 2026

Bangkok, Thailand - May 22, 2026 -

Siam Legal International, an authorized General Sales and Support Agent (GSSA) for the Thailand Privilege Visa and three-time consecutive GSSA Award recipient, announced a limited promotional rate of 750,000 THB for Next Member supplementary cards, which allow primary members to add immediate family members to their existing membership, across Platinum, Diamond, and Reserve tiers, running from May 18 to August 14, 2026.

The promotion represents a significant saving against standard Next Member pricing. Under regular fee structures, supplementary membership for a Platinum holder costs 1,000,000 THB, while Diamond and Reserve holders pay 1,500,000 THB and 2,000,000 THB respectively per additional member. The new promotional rate of 750,000 THB applies uniformly across all three tiers, offering savings of 250,000 THB at the Platinum level, 750,000 THB at Diamond, and 1,250,000 THB at Reserve. For families adding more than one Next Member, the savings compound further.

The promotion is available to primary members holding Platinum, Diamond, or Reserve memberships who wish to add a spouse, child, or parent under the same membership. Existing members currently in the application process but who have not yet completed payment may also be eligible for the promotional rate, subject to resubmission requirements within the promotional period. All applicants must submit a fully completed application form and required documentation, with full membership payment received within the period stated in the invoice. The Bronze and Gold tiers are individual memberships and do not include Next Member eligibility, and this promotion does not apply to them.

"This promotion is particularly well-timed for internationally mobile families who have been planning a long-term move to Thailand," said Rex Baay, Operations Manager and Senior Immigration Consultant at Siam Legal International, who accepted the firm's GSSA Awards in 2024, 2025, and 2026. "Adding a family member at 750,000 THB flat, regardless of tier, removes a significant financial barrier for couples and families who want to establish a stable, hassle-free and compliant long-term base in Thailand together." The Siam Legal Thailand Privilege team assists applicants at no charge beyond the official Thailand Privilege Card membership fee.

Each Next Member approved under this promotion receives their own Privilege Entry Visa, member card, and full membership privileges for the same visa duration as the primary member's tier, covering 10 years on Platinum, 15 years on Diamond, and 20 years on Reserve. Next Members receive the same benefits and privileges as those under the standard Platinum, Diamond, or Reserve Next Member membership, including multiple-entry long-stay visa rights, VIP airport facilitation services, access to the Thailand Privilege Member Contact Center, and 90-day reporting support handled by the Thailand Privilege team on the member's behalf. Annual Privilege Points are shared across the membership rather than allocated separately to each Next Member. The membership fee is non-refundable and the promotion cannot be extended beyond August 14, 2026.
