Hilton Head, SC - Russian volume or volume lash extensions is gaining more popularity in Bluffton through the beauty company, Lashes n? More.

Lashes n? More is owned and operated by Russian owner and beauty expert Irina Rudman. And its Eyelash Extensions Bluffton, SC services are now the talk of the town. The Russian volume or the volume lash extensions is just one of the many service offerings of the rising beauty company. As the name suggests, this lash technique provides more volume without the burden of using a mascara.

Compared to traditional lash extensions, volume lashes appear lighter, fluffier, and fuller. It is also more complicated to attach compared to the conventional lash extensions. To apply it, a technician takes 2-6 fragile eyelash extensions and makes them into a fan shape before applying them to the natural eyelash.

Lashes n? More further explained that volume lashes are an excellent choice for individuals who have fine or sparse lashes. It fills in the sparse areas and gives the eyes a dramatic and dazzling appearance. The benefit of volume lash extensions is that they can help people with sparse natural lashes get a complete set of volume lashes applied to their natural lashes.

?It is the most versatile lash treatment that we offer and will suit most clients. It will particularly help those with sparse natural lashes, or to create a thicker looking set than can be achieved with classic or hybrid lashes,? states Lashes n? More.

The beauty company says volume lash extensions can last as long as a complete growth cycle of natural lashes. Meanwhile, semi-permanent lashes last 6 to 8 weeks on average.

On the other hand, those who prefer a more natural look can choose the Classic Lash Extensions of Lashes

n? More. This method is best for customers with a full natural lash line but lacks size, curl, or darkness.

?Our innovative application processes result in pleasant, soft, and customized lash styles of the highest quality for any occasion. From everyday casual wear to a wedding and bridal lashes, the most incredible lashes Hilton Head has to offer can help a client express themselves in comfort and style,? states Lashes n? More.

Aside from the Russian Volume and the Classic Lash Extensions, Lashes n? More also offers Brow Lamination, Lash and Brow Tint, Lash Extension Removal, and Lash Lift. Lashes n? More customers can now enjoy a unique combination of techniques from the beauty haven.
