American Dumpster Co Delivers Dependable Roll Off Dumpster Rentals in Denver, NC

January 10, 2022

January 10, 2022 - PRESSADVANTAGE -

Reputable local waste management company, American Dumpster Co, have announced that they now deliver dependable roll-off dumpster rentals in Denver, NC to homeowners, businesses and other commercial rents. The company offers a wide variety of waste managed solutions including construction and demolition debris disposal, commercial waste disposal, storm debris clean-ups and residential dumpster rentals.

Headquartered in 2732 Hallman Dr, Crouse, NC 28033, United States, American Dumpster Co is a family operated waste removal company that seeks to provide affordable, sustainable solutions for different types of waste. Besides Crouse and Lincolnton; the company also services customers in Shelby, Mount Holly, Denver, Gastonia, and surrounding areas. According to Blake Johnson, the company's founder and operator, the company's services are not limited to local communities, and they often make arrangements with customers located further out of their service area radius to provide them with reliable waste management solutions. He added that interested renters only needed to contact the company for free consultation, and instant accurate quotes depending on their specific locations.

American Dumpster Co offers their customers two dumpster rental sizes in Denver. Their roll-off dumpster options are their 15-yard dumpsters and their 20-yard dumpsters which can accommodate 6 pick-ups and 8 pick-ups full of waste per rental, respectively. Their 15-yard dumpster has 1.5 tons of weight allowed, while their 20-yard dumpsters have 2-tons of weight allowed per rental. According to Mr. Johnson, their 15-yard dumpsters are mainly targeted at homeowners and commercial renters with small to medium-scale projects, while their 20-yard dumpsters are ideal for medium-scale to large-scale residential, construction and commercial waste disposal projects.

Mr. Johnson also maintained that American Dumpster Co offers cheap dumpster rental costs in Denver. Their sizing and pricing information shows that they rent out 15-yard dumpsters at \$295 and 20-yard dumpsters at \$345 for a standard rental period of up to 7 days. Their customers can also get rent time extensions at an additional \$10 per day, if they wish to use their rental dumpsters for more than 7 days. They only need to notify the company of the intended rent time extension a day before the roll-off container is due to be collected. American Dumpster Co also charges customers extra if they load excess weight on their rental dumpsters. Their overage charges are \$65 per additional ton of waste, above a container's allowed weight.

The local waste management company offers free no-obligation consultation for all prospective clients on the phone, online and even during in-person visits. Their listed business hours are between 7:00 AM and 7:00 PM, Monday to Sunday. They have strict Covid-19 safety measures including sanitizing, wearing of masks, and maintaining social distance during one-on-one interactions. They also expect all their visitors to observe the set measurers. The company also offers same day dumpster service, emergency response and great customer services. Based on their many positive online reviews and high rating American Dumpster Co seems to maintain a great reputation as a dependable waste management provider in Denver and in the other areas they service in North Carolina.

Anyone looking for dependable roll-off dumpster rentals in Denver, North Carolina or the nearby areas can find more information about American Dumpster Co on their website at Dumpster Rental Denver NC. They also have an interactive Facebook page at American Dumpster Co.
