January 24, 2022 - PRESSADVANTAGE -

January 2022: Automatic Growth presents a new article that discusses whether buying backlinks is a good option for boosting a website's SEO. The report, published on Automatic Growth's website, was compiled by the company's link-building experts. The guide addressed an important concern and aspect of businesses today- building their online presence.

Backlinks serve as the backbone of link-building and SEO. However, the debate continues whether buying backlinks is a good strategy or not. Many bloggers and site owners consider buying backlinks will hurt their SEO and end up with penalties. However, Automatic Growth experts examined the facts surrounding this idea and, in their report, explained the difference between buying quality backlinks versus spammy links. The publication analyzes how buying backlinks can be beneficial.

According to Automatic Growth, the company's experts compiled the guide after thorough market research. The purpose of the publication was to shed light on why buying backlinks can be a good idea, by exploring the SEO benefits one can gain from it. The report gave a step-by-step guide on how to purchase quality, high-DR backlinks to give a clear understanding of how to use backlinks for SEO. The report emphasized the

difference between buying spam links and genuine quality links. The report rounded off the report answering frequently asked questions. The full remote can be found here.

The link-building agency; Automatic Growth, provides backlink packages and guest post creation services to business owners to help them rank better in search engines. The report was published as part of their regular research on SEO and backlinking for their readers. Readers can find the full report by visiting their page at <https://www.automaticgrowth.com/backlink-packages/>.

Google does not penalize all paid backlinks. This report tackles the misconceptions and explores paid backlinks in detail, covering all the aspects, so readers can fully understand the benefits of buying backlinks and the difference between quality backlinks versus spammy links, said Automatic Growth Team.

Additionally, the website provides information, guides, advice, research and analyses on SEO, guest posting, and backlinking. It also offers tailored packages to fit the customers' requirements.

According to Automatic Growth, "Our expertise has helped numerous businesses generate traffic towards their brand. We abhor shady tactics and believe in producing genuine results that can be measured."
