Alexa's Cleaning Services Surpasses 150 Five-Star Reviews as Cleaning Service in Murfreesboro TN

August 17, 2026

Murfreesboro, Tennessee - August 17, 2026 -
Alexa's Cleaning Services LLC, a family-owned and operated residential and commercial cleaning company, has surpassed 150 five-star reviews on Google, marking a notable milestone in customer feedback for the Tennessee-based business.

The accumulation of five-star ratings reflects consistent responses from residential and commercial clients across the region. The reviews cover a range of the company's offerings, including deep cleaning, bathroom cleaning, post-renovation cleanup, and window and carpet cleaning. As a cleaning service serving both homeowners and businesses, the company has built its reputation through recurring and one-time appointments alike.

The company is fully insured and bonded, and its team is trained to handle a variety of residential and commercial environments. Alexa's Cleaning Services also maintains a satisfaction guarantee, offering to re-clean any areas that clients report as unsatisfactory. This policy has factored into the steady stream of positive feedback that carried the business past the 150-review threshold.

Beyond standard appointments, the company offers recurring cleaning schedules for clients who prefer regular maintenance, as well as unique one-time services suited to special occasions or quick refreshes. Window and carpet cleaning rounds out the offerings, addressing surfaces that often require specialized attention.

Alexa's Cleaning Services provides cleaning services in murfreesboro tn and surrounding areas, with a menu that spans deep cleaning, move-in and move-out cleaning, and seasonal offerings such as holiday preparation. Deep cleaning addresses every corner of a space to leave it refreshed and hygienic, while bathroom cleaning focuses on removing grime and sanitizing surfaces. Post-renovation cleanup removes dust, debris, and leftover materials to leave newly renovated properties move-in ready.

The milestone arrives as demand for professional cleaning continues across residential and commercial markets in Tennessee. Reaching 150 five-star reviews places Alexa's Cleaning Services among the businesses in the area with a substantial record of documented customer satisfaction on a public platform.

Founded and led by Alejandra, the company operates as a family business with an emphasis on reliability and consistency across each appointment. The team structure allows the company to accommodate both scheduled recurring work and short-notice requests, adapting to the varied needs of the households and businesses it serves.

The review milestone also underscores the role that transparency plays in the local cleaning industry, where prospective clients frequently consult public ratings before selecting a provider. A record of 150 five-star reviews provides a measurable point of reference for those evaluating options in the region.
