

Coastal Inflatables LLC Now Providing Bounce House And Party Rentals

March 31, 2022

March 31, 2022 - PRESSADVANTAGE -

Hampton, NH based party rental service Coastal Inflatables LLC is reaching out to the local community to share information about their bounce house rentals and other party services. Coastal Inflatables LLC has proven itself to be one of the leading providers of party supplies in Hampton and the surrounding areas.

Chris Steuerwald from Coastal Inflatables LLC says, "People like fun, and bounce houses are fun. It is no surprise that more and more people today are renting out bounce houses to make their kids' parties a more engaging time for everyone involved. At Coastal Inflatables, we like providing that fun for you. With a great selection of different bounce houses with different designs and different characters, no matter what your brand of fun is, we are sure we can deliver it."

In fact, Coastal Inflatables LLC provides more than just bounce houses. No matter what kind of entertainment is required for a part, the company assures that they can provide it. They have inflatable slides, water slides, yard games, chairs and tables and concessions (including popcorn machines, sno-kones and cotton candy).

The company also highlights three of their newest attractions, all of which are excellent options for people who want to have a great time. The first is their new 22ft dual lane tropical falls water slide, a thrill ride that is perfect for all kinds of parties and events, especially where guests will not mind getting a little wet. They also have a mammoth 5-in-1 single lane combo bouncer that will fit right in with other attractions at most events. According to the company, an attraction like this has so much to offer that it is able to keep all the little ones smiling and having fun for the entire party. Similarly, the company also has a new 5-in-1 castle dual lane combo that works wonders for kids who want a touch of royalty in their parties. Learn more about their new products at the following link: <https://www.coastalinflatablesllc.com/>.

Steuerwald says, "If you are planning on throwing a party in Hampton, we have got you covered. We are proud to say that we have one of the best selection of party supplies anywhere in New Hampshire or the surrounding areas, and we have already helped many families plan and execute wonderful, fun-filled parties. All of our entertainment rentals are very easy to set up and use. No matter what you rent from us, we will make sure that it is a great fit for your party and keep the guests wanting more."

Coastal Inflatables LLC's dedication to fun and spreading joy has earned them a warm spot in their customers' hearts. Carol-Ann Monaghan says in their Google review, "What a great experience! We rented the Aloha bounce house/slide combo, a table and some chairs. Everything was super clean! It was a bit windy, but the bounce house was anchored down so well, it never budged! Chris was super nice, we added the table and chairs a couple days before the party with no issues. He came and set up well before our party so the kids got some extra time to bounce! Great company, highly recommended!"

In another review, Carrie Schwartz writes, "The Castle Combo is wonderful. The kids loved it and having the double slide was wonderful. Very quick to contact back and willing to work and assist you in whatever you need. If you are having a birthday party, BBQ, family reunion or any type of event that kids will be attending, be sure to contact them for something fun for the kids! You will not regret it!"

Those who are interested in renting out equipment or bounce houses from Coastal Inflatables LLC for their own party should reach out to their representatives today. The company's website has a contact form through which customers can get in touch, but Chris Steuerwald can also be contacted via his phone or email address. Coastal Inflatables LLC also maintains a social media presence, and customers may connect with the company here: <https://www.facebook.com/CoastalInflatablesNC>.
