The company's dumpsters are well suited for a variety of waste disposal tasks such as refrigerator disposal, garbage removal, mattress disposal, foreclosure cleanouts, construction waste removal, yard waste removal, trash removal, appliance removal, television disposal & recycling, furniture removal, e-waste disposal, and hot tub disposal. To maintain the integrity of the dumpsters and to comply with local government waste disposal regulations, the company prohibits the disposal of paint cans, aerosol cans, oil, tires, chemicals,

sewage, hazardous wastes, liquids of any kind, and batteries in its dumpsters. Apart from residential and commercial dumpster rental services, the company also offers portable restroom rentals, dump truck hauling and material delivery (rock, sand, and dirt), and heavy equipment hauling lowboy services.

A spokesperson for the company talks about its Huntsville, Alabama, dumpster rental services by saying, "Homeowners and contractors in the area who are looking for reliable dumpsters to facilitate their home improvement or commercial projects need to look no further than Reed Maintenance Services Inc. to fulfill all of their waste disposal needs. We have created an online booking system that is as seamless and intuitive to use as our dumpster rental services. Just head on over to our website and pick the dumpster size you need. If you need help picking the right size, give us a call and our experienced staff will guide you through the process of picking the ideal dumpster for your needs based on the scope of your project. Once you know what you want, you can book the dumpster directly over the phone or you can head back to our website and select the dumpster of your choice for the days you want and pay online using any of the most popular online payment methods. We will handle the hard part of logistics and delivery to make sure the dumpster that you selected shows up at your doorstep exactly at the time you requested. We will be in constant touch with you to update you on the progress of your rental. You will be completely free to focus solely on your project as we take charge of the waste disposal duties."

The company's 20-yard dumpster is 20 feet long, 7 feet wide, and 4 feet high. It can be rented out for \$400 which includes the disposal of 2 tons of waste material. The company's 30-yard dumpster is 20 feet long, 7 feet wide, and 6 feet high. It can be rented out for \$500 which includes the disposal of 5 tons of waste material.
