Their inflatable rentals are regularly rented for a broad scope of celebrations including school field days,

summer camps, community festivals, birthday parties, block parties, family reunions, and other special events. Their delivery area includes the metro Orlando area and the communities of Lake Mary, Longwood, Oviedo, Windermere, Winter Garden, Winter Park, Winter Springs, and more. Special accommodations can be arranged for an additional charge to be delivered outside their traditional service region.

Their units range in size, functionality, and style, and are available in an impressive variety of themes including unicorns, tropical lagoons, fireballs, and storm surges. Their water slide inventory can be used as a dry slide entertainment option for indoor events hosted in gymnasiums, cafeterias, or other venues.

One of their most popular rentals is the 15-Foot Shipwreck Wet Slide, complete with an inflatable pirate flag, parrot, and wave accents. This rental measures 25' long by 14' wide by 15' high and begins at \$265 for up to seven hours of rental time. This single-lane slide is suitable for children starting at age three and up with adult supervision.

Another highly recommended option for more significant events is the 18-Foot Tiki Plunge Dual Lane Wet Slide. Measuring 32' long by 13' wide by 18' high, this selection is one of the bigger water slides and rents at \$365 for up to seven hours. Although mighty in stature, it's safe for ages three and up with adult supervision. According to their website, many customers rent this inflatable for festivals, field days, and fairs.

The ultra-giant 27 Foot Lava Rush Dual Lane Wet Slide combines the best of both worlds by offering a giant slide and slip and slide combination for double the fun. Measuring 70' long by 21' wide by 27' high, this rental begins at \$829 for up to seven hours. This slide is safe for ages five and up with adult supervision and is ideal for summer camps, field days, and outdoor celebrations.
