November 12, 2015 - PRESSADVANTAGE -

Spex Hair - Spencer Stevenson the online hair loss mentor and hair transplant veteran will now be working in conjunction with Dr. Scott Alexander from Biltmore hair restoration clinic in Phoenix, Arizona.

Dr. Scott Alexander is a member of the IAHRs the International Alliance of Hair Restoration Surgeons and has been conducting the latest state of the art ultra refined hair transplant surgery techniques for many years.

Spencer Stevenson will be assisting Dr. Scott and all his patients on a daily basis, answering patient questions whilst relaying Dr. Alexander's personal opinion in relation to patient online consultations and treatment plans.

Dr. Alexander had the following to say "I am incredibly proud to have brought Spencer (Spex hair) Stevenson on board as our patient advisor here at The Biltmore hair restoration clinic. He is incredibly knowledgeable and above all very compassionate towards patients needs and questions due to his own remarkable journey with hair loss and hair transplantation. Here at our clinic in Phoenix Arizona we have a high number of

patients who require help in all areas with the hair transplant process and Spex provides them a unique source of reliable honest information."

Spex recently visited the Biltmore hair restoration clinic where Dr. Alexander performs his surgeries and had the following to say: I am super excited to start working as Dr. Scott Alexander's Patient Advisor. I have admired Dr. Alexander's work for many years and I'm very proud to officially be part of his busy clinic. My recent visit to his office in Phoenix, AZ was incredibly enjoyable and enlightening as I had the chance to watch him perform a 2300 FU procedure. I'm very much looking forward to working alongside him, his team and his patients daily.
