Curtis Martin from Big Chug's Disposal says, "Whether you have a home renovation project or a construction project, you can expect to find a suitable roll-off dumpster rental for your specific requirements. We provide fast, friendly delivery services in Pleasant Prairie, Wisconsin and surrounding area. It is our goal to exceed customer expectations."

They are four available dumpster sizes from Big Chug's Disposal. These are the 12 yard dumpster, 15 yard dumpster, 18 yard dumpster, and 20 yard dumpster. The 20 yard dumpster measures 6 feet in width by 14 feet in length by 7.6 feet in height and can contain about eight times that of a pickup truck load. This is typically used for home remodeling and construction projects, including renovation of the master bedroom, kitchen remodeling, basement clean outs, attic clean outs, yard cleanups, garage clean outs, and other similar projects.

The 18 yard dumpster is not a typical size but it is available at Big Chug's Disposal to allow customers to have a better fit for their specific needs. The 18 yard dumpster measures 14 feet in length by 5 feet in width by 7 feet in height. This volume is suitable for the average 1 bedroom apartment with 700 to 900 square feet in area or an average garage full of junk. Those who want to know the exact location of Big Chug's Disposal can visit their Google Maps page at <https://goo.gl/maps/F243pisfE3YErUvh8>.

The 15 yard dumpster measures 4.5 feet in width by 14 feet in length by 7 feet in height, and can accommodate about six times that of a pickup truck load. It is frequently used for relatively small projects, including: removal of waste and junk from the yard waste; different types of home renovation projects, such as the remodeling of a laundry room; repair of a sidewalk or driveway; removal of flooring, walls and carpet; and installation of kitchen cabinets; and clean out of a huge room, such as a bedroom, garage, bedroom, attic, or basement.

The 12 yard dumpster measures 14 feet in length by 3.5 feet in width and 7 feet in height and it may be utilized for garage clean outs, home clean outs, and more. Slightly bigger than the 10 yard dumpster, it has enough room to eliminate trash from a good sized project. It can hold the equivalent of 4 to 5 pickup truck loads or 72 32-gallon trash bags.
