

Dumpster Rental Rockford Company Resource Dumpster LLC Makes Online Booking Easy and Convenient

August 15, 2022

August 15, 2022 - PRESSADVANTAGE -

Resource Dumpster LLC, a locally owned and operated small business, allows customers to book a dumpster rental Rockford can depend on through its state-of-the-art website. Browse available roll-off container sizes, choose the best fit for residential or commercial projects, then check out and confirm the reservation using the secure booking function. Interested parties are encouraged to view the official company website to view selections and rent a dumpster with a few simple clicks.

Owner Richard McDonald and his team have set themselves apart from the competition by offering flexible scheduling options and versatile selections that help support the waste disposal needs of the company's broad clientele. "Whether you're cleaning out your garage or managing a housing addition, we have no doubt our dumpsters will make a beneficial addition to your project," Richard said. The company holds a 5-star rating on its official Google business page with 43 reviews to date, as well as on the company's Facebook page. Many of the reviews highlight the company's friendly service, prompt delivery, and knowledgeable support throughout the rental process.

One positive review comments on the stress-free process. Customer Skyler Johnson said, "Rich was very accommodating to what we needed for a dumpster. Very prompt and no hassle. Will definitely be using him again for our future dumpster rentals."

Another glowing review highlights the clear communication and professionalism of the company's drivers. Customer Michael Bunt said, "The driver was prompt and polite. He kept me informed and gave me plenty of lead time when pick up would occur. I would definitely use the service again."

Those interested in reserving a Rockford IL dumpster rental can use a smartphone, tablet, laptop, PC, or any other device with Internet access to view available options and book a container, whether on the go or from the comfort of their home. From any page of the website, click the orange "Book Now" button or the "Dumpster Rentals" tab in the menu bar to view container sizes, pick the best option for a residential or commercial project, and check out using the company's secure system and any major credit card. Once payment is received, the user will receive a confirmation email with a digital copy of the signed contract and receipt. Those who would like to speak directly with a staff member to learn more or book over the phone can call the company directly at (815) 670-0454.

Roll-off container rentals are used to store and haul waste for various household, construction, industrial, or roofing projects. According to the company website, bins are often delivered to support garage or attic cleanouts, landscaping, roofing repairs or replacements, furniture or appliance removal, estate sale preparation or cleanup, hoarding cleanouts, foreclosure management, housing developments, driveway or shed demolitions, and other objectives. The company offers short or long-term rental options to help suit customers' specific needs.

Resource Dumpster LLC offers three versatile size options, including 10-yard, 15-yard, or 20-yard containers. The 10-yard measures 7.5' wide by 14' long by 3.5' high and rents for \$370 for up to seven days with one ton of waste disposal included in the base price. The 15-yard measures 7.5' wide by 14' long by 4.5' high and rents for \$400 for up to seven days with two tons of waste disposal included in the base price. The 20-yard measures 7.5' wide by 14' long by 6' high and rents for \$450 for up to seven days with three tons of waste disposal included in the base price. Additional days and extra weight are available for purchase at \$10 per day and \$60 per ton.

Those seeking reliable and reasonably priced Rockford roll off dumpster options are encouraged to visit the company website to learn more about available options, price points, and company policies. The company

can be reached directly by submitting the inquiry form on the contact page or by calling (815) 670-0454.
