Hilton Head Island, SC - For its reliability and long-lasting effect, more people prefer Classic Eyelash Extensions over false eyelashes, according to beauty experts from Lashes n' More.

While eyelash extensions can be a little pricey compared to false eyelashes, they are still generally cheaper. Lash extensions usually cost more the first time. However, clients pay only a fraction of the cost for touch up. On the other hand, false eyelashes, also called "falsies," last only for a couple of days, and they are more resilient.

Lash extensions also appear more natural than false eyelashes. Eyelash extensions are made of mink hair and other high-quality materials, so they appear feathery and light. They are also lighter. On the other hand, false lashes are made of artificial fibers of inferior quality and greater weight. Most importantly, eyelash extensions are applied only once and last for weeks or even months. However, false eyelashes need to be removed daily and reattached the next day.

Furthermore, Lashes n' More guarantees to provide high-quality Eyelash Extensions in Hilton Head. The beauty salon has experts in classic lash extensions. Headed by its salon owner, Irina Rudman, the eyelash professionals are licensed and certified estheticians trained in providing Eyelash Extension Services that complement the client's beauty. The entire Lashes n' More team is skilled with the right knowledge, expertise, and capacity to achieve the desired eyelash for each client. In addition, each of them has the talent to create long-lasting lashes.

Meanwhile, Rudman got her license in lash extension over seven years ago and started learning lash extensions in Russia and South Korea before she moved to the US. At present, she shares her talent for lash extensions with Hilton Head residents.

"We strongly care about keeping natural lashes healthy. That's why we use top-quality products and a proper lashing technique. We treat each client as special and consider everyone's eye shape, lifestyle, and personal preferences to create lash looks that are uniquely yours," stated Rudman.

Besides eyelash extension, the go-to salon in Hilton Head offers Brow Lamination, Lash and Brow Tint, Lash Extension Removal, and Lash Lift. To know more about each service, clients may visit <https://lashesanmore.com>.

Honoring the sacrifices of healthcare workers and teachers, Lashes n' More offers them a special \$40 discount.
