

EPS Landscaping & Tree Service LLC Earns Another Five Star Review

October 11, 2022

Pembroke Pines, Florida - October 11, 2022 - PRESSADVANTAGE -

EPS Landscaping & Tree Service LLC, a company located in Pembroke Pines, FL and serves the Broward County area, is proud to announce that they have received another five star review from a satisfied customer. EPS offers all kinds of landscape design, tree trimming, lawn care, irrigation and pest/weed control, and tree installation. They have always focused on ensuring that customers are satisfied with their professional, timely, and courteous way of doing business.

EPS provides a range of tree services, including tree removal, tree planting, tree trimming, and tree care in Pembroke Pines. Tree removal is necessary when a tree is diseased or dying and also when the tree has become a risk to human life and property. For lawn care, they provide lawn maintenance, lawn mowing, commercial lawn care, and lawn insect control. They can also provide irrigation services, including sprinkler repair and sprinkler system installation. For landscaping they can provide tropical landscaping, landscape installation, pool landscaping, retainer walls, sod installation, commercial landscaping, and landscape maintenance. Grass cutting and lawn trimming must be done correctly to ensure that the grass will continue to be green and healthy. The lawn may also need fertilization, which is part of the lawn maintenance services. Fertilizing the lawn ensures the lawns are thick and look pretty.

In this latest customer review, Bryan Gil gave them a five star review and said, "I used this business and I'm very pleased with their services. From the staff, customer service, and owner everyone was professional and understanding of my wants and needs. I could not recommend this company enough. They did an excellent job at an affordable price. I will definitely be using them for landscaping services in the future."

Greg O'Connell, co-owner of EPS Landscaping & Tree Service LLC, says, "We are always excited about receiving feedback from our customers, regardless if it is positive or negative. Even more so if the review is highly positive, such as the one provided by Bryan. A positive feedback means we have achieved our goal of providing the best customer service that we can provide. We can assure all our customers that we will always do our best to deliver the highest quality of service to the utmost of our ability."

Tree services are frequently required in Broward County because trees provide a natural way to keep the home cool. Trees can also make the yard attractive and refreshing. However, installing a tree in a yard will require some expertise in planning, which is why the help of professionals is often required, such as in choosing the types of trees to plant in a particular yard. Relocating a tree may also be needed because the client had to move to a new home and this will also need the expert knowledge and experience of tree experts. Removing a tree may also be required when a tree has grown too close to a building or electric power lines, or it has been broken by a storm.

EPS Landscaping & Tree Service is a family owned and operated company in Pembroke Pines, Florida that has been providing landscaping, lawn care, and tree services in the Broward County area, particularly in Pembroke Pines, for more than 20 years. They are always focused on offering their services at reasonable prices while ensuring that they always deliver the best quality services. They offer their services to different locations in Broward County, including Hallandale Beach, Southwest Ranches, Coral Springs, Hollywood, Deerfield Beach, Dania Beach, Fort Lauderdale, Pompano Beach, and Pembroke Pines. They offer all kinds of landscape and tree services at reasonable prices and they always offer honest estimates and a fair price.

Those who require tree trimming service in Southwest Ranches and in other areas in Broward County can visit the EPS Landscaping & Tree Service website or contact them through the phone or via email. They are open from 8:00 am to 6:00 pm, from Monday to Friday, and from 8:00 am to 3:00 pm on Saturdays.
