Breakwater, Victoria - October 11, 2022 - PRESSADVANTAGE -

With the booming metropolitan growth, Adelaide's businesses must expand to meet the needs of its residents. To better meet the sanitation needs of Adelaide's residents, Australian company Fix-It Right Plumbing is on track for the grand opening of their Adelaide factory. The significant progress on the factory is sure to cement Fix-It Right's commitment as a trusted and top-notch South Australian business.

Construction on the new site, located at 8/126-132 Frederick Street, Welland, has been progressing steadily. The new center will allow the Adelaide plumbing company greater access to state-of-the-art plumbing equipment and tools to provide comprehensive services to its customers in South Australia.

Having recently expanded into Adelaide, Fix-It Right Plumbing has received a positive outpouring of support and excellent reviews from valued customers in the community.

"We recently had an excellent experience with Joseph from Fix-It Right Plumbing to clear our blocked drain

in the shower. He was very professional and experienced in his job. He took his time to clear the blockage properly[sic] was fully knowledgeable in his work, reviewed recent customer GP Singh. He explained the whole process efficiently and effectively.

With nearly 50 positive reviews averaging 4.9/5 stars from Adelaide community members as of October 2022, the company looks forward to expanding and servicing the Adelaide community for years to come. The influx of customer demand and the positive reviews demonstrate that an expansion of the company has been necessary to the Adelaide area.

Customer Lucy Tran shared, The service was prompt and the communication was exceptional. Joseph was professional and experienced. Continuing, she reviewed, He went above and beyond what he originally came to do and as part of their service, he did a final check on all the plumbing throughout the house. He was patient and friendly.
