Owner Rico Rodriguez started his company with the hopes of providing cost-effective and convenient waste disposal solutions that would solve his customer's problems quickly and efficiently. "We do our best to exceed customer expectations with each and every rental," Rico said. "It's always our goal to take care of our customers and handle the burden of the waste removal process, saving you multiple messy trips to and from the landfill. We're your all-inclusive waste management provider and are available to help support your residential or commercial needs."

The company maintains a 5-star rating on its Google business page with 27 reviews to date. Customers note how easy it is to navigate the company website and reserve a roll-off container online. Satisfied customer

Dante Medrano said, "Houston Dumpster rentals did a great job. Super easy to book, dropped off, and picked up in a timely manner. Will definitely use them again."

Another positive review comments on how quickly the company delivered the bin. Customer Brenda Sayon said, "This company was awesome, I didn't think would deliver the same day but they came through, and they delivered within 3 hours. They were friendly and professional, we will definitely use them again."

One 5-star review remarks on the reasonable prices of the company and how friendly the staff was to work with. Customer Kerri Bassett said, "I needed a dumpster to clean out year of junk that had accumulated in my garage. The gentleman at Houston Dumpster Rentals provided me with a dumpster at a great price and provided amazing service. I would highly recommend Houston Dumpster Rentals!"

Customers frequently book the services of HTX Dumpsters to complete a range of cleanout, repair, renovation, demolition, or development projects on both a short and long-term basis. The company often delivers its driveway-friendly and easy-to-load bins to residential areas to help support garage, attic, basement, or full house cleanouts, roofing repairs, landscaping, furniture or appliance removal, small-scale demolition, single-room remodels, and other residential efforts. The Houston Dumpster Rentals team works with homeowners, property managers, business owners, contractors, and individuals seeking economical waste disposal services.

HTX Dumpsters offers two container sizes for residential and commercial projects. The 15-yard bin measures 14' long by 7' wide by 4' high and is available beginning at \$369 for up to one day of rental time. The 20-yard measures 14' long by 7' wide by 6' high and is available beginning at \$430 for up to one day of rental time. Additional days and extra weight are available for purchase at \$47 per day and \$60 per ton if customers end up needing more space or time to complete projects.

HTX Dumpsters offers online booking for the convenience and ease of its customer base. Using any smart device, customers can browse available size options, make the best choice for their specific waste removal needs, and check out using the company's secure system.

The company offers delivery to a broad scope of Harris County and the general Houston metropolitan area, including Pearland, League City, Friendswood, Galveston, Pasadena, Cinco Ranch, Deer Park, Fresno, and Sugar Land, among other communities.
