

League City TX Dumpster Rental Company HTX Dumpsters Offers Driveway-Friendly Waste Disposal Options for Homeowners

November 23, 2022

November 23, 2022 - PRESSADVANTAGE -

Family-owned and operated waste removal company, HTX Dumpsters, provides driveway-friendly dumpster rentals for property managers and homeowners in League City, TX, and surrounding communities. The company regularly works with local businesses, contractors, residents, and individuals needing professional, industry-grade roll-off bin rentals. Those seeking reliable and reasonably priced League City TX dumpster rental options are encouraged to visit the company website or contact the staff directly via phone or email.

Owner Rico Rodriguez started HTX Dumpsters with the purpose of helping homeowners complete various repairs, renovations, remodels, cleanouts, developments, or demolitions with the added support of cost-effective and conveniently-placed roll-off rentals. "As a homeowner, I understand how painstaking it can be to get a DIY project or even a simple roofing repair started because of a lack of reliable waste disposal options," Rico said. "When I founded my business, I wanted to prioritize helping residents in the area accomplish their goals with ease by offering prompt and professional dumpster rental services, no matter how big or small the project."

Rico continues to note that his entire team has years of experience placing dumpsters and is equipped to offer guidance to customers who need support with what size to order, how to load the bin, or any other issues or questions that might arise. "Our knowledgeable and friendly staff is always available to answer any questions and ensure you're having the best possible experience with our team," Rico said. "We continuously exceed expectations by offering prompt delivery, flexible scheduling options, and high-quality, durable bins that will help you achieve your project goals seamlessly."

The company offers two container options for residential or commercial purposes: 15-yard and 20-yard. The 15-yard, suitable for a wide range of residential waste removal goals, measures 14' long by 7' wide by 4' high and begins at \$369 for a single-day rental with two tons of waste disposal included in the base price. A 3-day rental is available for \$399, and a 7-day rental is available for \$449. Additional days and extra tonnage are available for purchase at \$47 per day and \$60 per ton. The 20-yard measures 14' long by 7' wide by 6' high and begins at \$430 for a single-day rental with two tons of waste disposal included in the base price. A 3-day rental is available for \$460, and a 7-day rental is available for \$499. Additional days and extra tonnage are available for purchase at \$47 per day and \$60 per ton.

According to the company website, homeowners use dumpster rentals to complete a broad scope of waste removal projects, including, but not limited to, roofing repairs, garage or attic cleanouts, sidewalk or shed demolition, downsizing, flooring removal, appliance or furniture removal, landscaping, housing additions, bathroom renovations, and other residential efforts. The company will deliver the driveway-suitable dumpster at the time and place of the customer's choosing, allowing them to fill the bin at their own pace. Once the bin is filled, the customer will contact the HTX Dumpsters team to have the bin safely and efficiently removed. The company pays special attention to removing the industry-grade bin in a way that's most conducive to the customer's property, preventing damage to the driveway, mailbox, or street.

HTX Dumpsters holds a 5-star rating on its official Google business listing with almost 30 reviews to date. Reviewers comment on the company's excellent customer service skills and professionalism. One 5-star reviewer noted how respectful and attentive the staff was to work with. Michelle Johnson said, "Excellent Service. Houston Dumpster Rentals shows you how much they appreciate your business with them. This company is very professional, understanding always on time, and has a respectful staff. Communication is great.. Quick responses to all of your questions and concerns any time of the day. I am referring this company to everyone I know."

Another positive review comments on the company's clear communication and friendliness. Ken Mcfadden said, "Great experience with the Houston Dumpster Rentals. The customer service was amazing, to include Rico (dispatch) and the Driver. The driver took time to share some war stories with my dad, who is a Vietnam

Vet. Most important was Houston Dumpster Rentals' communication with me here in Dallas, while delivering the dumpster to my dad in Houston Texas. I would highly recommend them and plan to use them again for additional cleaning at my dad's house.?

Those interested in learning more about the company, viewing available bin options, or scheduling a delivery are encouraged to visit the website or contact the staff via phone or email.
