WestOz Trades Air Conditioning Repair Services, based out of Kallaroo, Western Australia, is reaching out to share information about the services they provide. The Perth air conditioning contractor is fully specialised, qualified and insured in all aspects of AC service, maintenance and installation.

Louis Carter, owner and founder of WestOz Trades Air Conditioning Repair Services, says, "As a local Perth-based company, we pride ourselves on providing the locals with the best air conditioning services they can find. We maintain a large portfolio of aircon units, refrigeration systems and mechanical assets throughout Perth and specialise in preventative maintenance and breakdown works. Our team knows air conditioning and refrigeration inside out, and whether it's a residential or a commercial job, you can rest assured that we will provide innovative solutions to any and all of your problems."

The services provided by WestOz Trades Air Conditioning Repair Services are comprehensive. For both residential and commercial clients, the company provides air conditioning installation and maintenance services. The company's services cover all kinds of air conditioning units. The company also provides split system air con hydro cleaning and mould removal, preventative asset service and maintenance, and air con balancing services. In addition to those services, WestOz Trades Air Conditioning Repair Services also provides Home Automation services, Property Management services, and works with builders in Perth to provide customised systems for new home builds suited to the end user's needs. For Home Automation, the company partners with Myzone, Advantage air (Myplace) and Airtouch (which are really pushing the barrier in the automation sector making life easier and making air conditioning more effective and efficient).

Carter says, "Our goal is to provide high quality services paired with high levels of communication, honesty

and knowledge. We put our clients first, and that means that when you work with us, you can have peace of mind in knowing that our team will work hard to ensure you are satisfied with our results. If you are interested in working with us, just get in touch with us today and we would be glad to help you out.?

The services provided by WestOz Trades Air Conditioning Repair Services have earned the company great praise from their clients. Mélissa Fuentes writes in her 5-Star review, "I would highly recommend WestOz Trades Air Condition to anyone looking for a ducted system. We spent a lot of time and effort shopping around when we could have gone to the best and most competitive to start with. Very professional. A joy to deal with from the initial consultation to the installation. Clean and quality result.?"

Grace Hawkins writes in her review, "Experience installer. Comprehensive site assessment and job plan. Very flexible about installation conditions to suit my needs. Came in time when booked with a large crew of polite professionals who got the job done very well very quickly and without fuss. This included mounting a very large 10W external unit over 2 metres high up on a difficult external wall. cleaned up extensively afterward. Would strongly recommend it. WestOz Trade Air Condition did a great job.?"

WestOz Trades Air Conditioning Repair Services was originally established in 2016 when Louis Carter realised he could offer his community a service that is second to none ? along with a very high level of workmanship which similar companies could not offer as a whole outfit. From working within some large and smaller scale organisations in the Aircon and refrigeration industry all over Australia, Louis gained the insight and skills to diversify all aspects of the trade and provide clients with a complete package, from excellent customer service to smooth project management and quality workmanship.
