Chicago, Illinois - January 12, 2023 - PRESSADVANTAGE -

Chicago Website Design SEO Company is helping business owners in Near West Side Chicago stand out from their pack and dominate local search results in the area.

One of the 77 community areas that make up Chicago, Near West Side has a rich history of immigrants from all over the world arriving on its shores and enriching the local culture with flavors from their part of the world. Apart from being the headquarters for multinational corporations like Boeing and, most recently, McDonald's, the region is dotted with small businesses run by passionate entrepreneurs chasing the American Dream.

The area is also home to Little Italy and Greektown, two of Chicago's most enticing culinary strips. Restaurants and diners in Near West Side, some of which are credited with the invention of Chicago staples such as the Chicago-style hot dog and the deep-dish pizza, are always competing to get more customers to taste their creations.

Jack Lombardi, CEO of CWDSC, makes the case for why his company is best suited to help Near West Side businesses with their digital marketing needs by saying, "If you own a restaurant, or you operate in any other

service-based industry for that matter, your customers are primarily searching online for the experience they are looking for. In fact, BrightEdge found that 68% of all online exploration begins with a search engine. So, if you want your business to have any hope of succeeding, you have to go where the people are. Moreover, you also have to be on the top of your local search results to give your business the air of respectability and popularity that will compel customers to show up at your brick-and-mortar location. Having a comprehensive and implementable digital marketing strategy is the first step toward achieving this goal. Chicago Website Design SEO Company can help you do that. Follow these directions from Near West Side to our office and meet us to get started on this path towards growth and prosperity.?

CWDSC is a full-service digital marketing company with an intense focus on lead generation and conversion. Since it began operations in 2012, the company has helped over 1000 clients meet their digital marketing goals. Today, it manages over 300k in monthly AdWords campaigns and hosts over 500 websites. It serves all kinds of businesses - from local retailers to large international eCommerce companies. No project is too big or too small for the company's experienced SEO experts to handle.

Its full list of digital marketing services includes lead generation, SEO audits, local SEO, national SEO, Google listing SEO, press release optimization, product feed optimization, search engine marketing, Yelp listing optimization, YouTube marketing, backlinking, PPC advertising, content creation, competition analysis, conversion optimization, keyword analysis, reputation management, revamping existing websites, eCommerce websites, web hosting, logo creation, on-page SEO, email marketing and more.

The company's Google reviews are filled with customers vouching for the agency's expertise and customer service. It has a perfect rating of 5.0 out of 5.0 from 60 reviews on its Google Business Profile. One of the latest reviews says, "I am lucky that Chicago Website Design SEO Company was the first company I worked with for my start-up. I couldn't stand any problems as I am still new to the business. Things are working great and I am already expanding. Thanks, Jack and the team." Another customer praises the company's services by saying, "We just started working with Jack and his team and we already see the difference. Our website looks more professional and represents our business and we are getting more compliments about how it looks. I believe this is the best decision my wife and I made."
