January 12, 2023

Chicago, Illinois - January 12, 2023 - PRESSADVANTAGE -

Chicago Website Design SEO Company (CWDSC), one of the city's most well-reviewed digital marketing services providers, has expressed interest in helping Old Town businesses reach their true potential.

Old Town holds a special place in the heart of Chicago residents for its beautiful Victorian-era buildings and its status in the 1960s as the center of midwestern United States counterculture. Today, the affluent neighborhood is home to residents who have an appreciation for culture and who line up in attendance for the annual Old Town Art Fair or spend time at the Old Town School of Folk Music. The area's 22,000 or so locals, who have a median household income of more than \$130,000 are served by hundreds of small businesses operating in industries such as health and beauty, the food industry, retail, and more. The Old Town Merchants and Residents Association also runs several programs that encourage and help enterprising business owners to succeed in their endeavors.

Jack Lombardi, the CEO of CWDSC, talks about what his company can offer to Old Town businesses by saying, "Our mission has always been to increase online visibility and profitability of our customers' websites and brands. To achieve that, our team of highly experienced and creative SEO professionals will implement a

combination of digital marketing strategies that will get your business to the top of your local Google search results. Our strategies can drive more qualified leads to your business. These are customers who will already be completely on board with trying out your products and services because of your stellar online reputation and helpful content. Meanwhile, you will be able to accurately track every key metric regarding your website's growth including organic traffic, clicks, CPA (cost per acquisition), and more. Chicago Website Design SEO Company is the partner you have been waiting for to take your business to the next level. Take note of the direction from Old Town to our office and come meet us for a face-to-face appointment to find out more.

Chicago Website Design SEO Company's expertise encompasses a wide array of digital marketing services including lead generation, SEO audits, local SEO, national SEO, Google listing SEO, press release optimization, product feed optimization, search engine marketing, Yelp listing optimization, YouTube marketing, backlinking, PPC advertising, content creation, competition analysis, conversion optimization, keyword analysis, reputation management, existing website revamps, eCommerce websites, web hosting, graphic design including logo creation, on-page SEO, email marketing and retargeting, call tracking, responsive website design including mobile websites, and more.

The company has received a lot of support from its clients over the years who praise its services. On its Google Business Profile, one reviewer says, "I decided to give CWDSC a try and I don't regret it. The company is well-planned, and they do follow-ups to make sure that your business website is working as it should. I've never had a company take care of my business this much. Thanks." Another reviewer talks about the results the company was able to achieve by saying, "I have already started seeing the benefits of professional SEO services and I would like to thank Chicago Website Design SEO Company for their input. My business is better and safe in these expert hands."

The company has an online portfolio of the work it has done for its clients over the years - more than one thousand satisfied businesses operating in diverse industries. This includes accountants, appliance repair services, basement waterproofing contractors, chiropractors, deck contractors, demolition contractors, dentists, DJ services, eCommerce companies, electrical contractors, excavation contractors, fencing contractors, garage door repair services, hardwood floor contractors, home builders, home remodeling contractors, HVAC contractors, kitchen and bath contractors, landscaping contractors, lawyers and law services, medical services providers, nightclubs, orthodontists, photographers, plastic surgeons, plumbing contractors, pool contractors, realtors, roofing contractors, veterinary offices, windows and doors contractors, and many more.
