Atlanta, Georgia ? Ambassadors Limousine Service, a company based in Atlanta, Georgia, received praise from one of its clients today. The company reportedly helped Mrs. Diana Ross plan a special birthday party as her mother turned 90.

?We grew up poor,? Diana Ross noted as she explained her experience with Ambassador Limousine Service. ?As a result, none of us enjoyed a birthday party as kids. However, we worked hard and are fortunate to have made good money while our parents are still alive.?

?So,? continued Diana Ross, ?yesterday was my mum's birthday party. She was turning 90, and we wanted to prepare a special experience to celebrate the start of her 9th decade on earth. My mum has always talked about visiting the Georgia Aquarium. My siblings and I, therefore, decided to surprise her with a visit to the Aquarium.?

Diana Ross noted she planned to ensure her mum enjoyed the whole experience from start to finish. Therefore, she called a couple of friends to determine the best travel company she could hire to give her mum an adventure she could not forget.

?I called about 15 friends to be 100% sure,? said Diana Ross while explaining how she discovered Ambassador Limousine Service. ?Interestingly, each friend had positive things to say about Ambassador Limousine Service.?

Diana Ross noted that her friends mentioned that Ambassador Limousine Service allowed the clients to create a customized travel experience for themselves.

"When I called Ambassador Limousine Service to request a limousine for my mum's birthday party," said Diana Ross, "I specifically mentioned that the vehicle had to be customized for an elderly person. Funny enough, the person on the other end of the line seemed to understand everything I mentioned without requiring me to go into too many details. From my experience, the company's customer care agent had already handled similar bookings multiple times."

Diana Ross noted that after making her booking, the Ambassador Limousine Service agent pointed out that the limousine would be at the pickup location at least 15 minutes earlier.

"The company kept its word," said Diana Ross. "We had planned to leave the house at 10 am. Our driver was waiting outside the house at exactly 9:45 am. However, he did not rush us. He gave us enough time to finish our preparations and get in the vehicle. By 10:05 am, we were on the road."

Diana Ross noted that when she got in the car, she was mesmerized by how Ambassador Limousine Service had customized it to give it a birthday theme.

"The interior was extra comfy," said Diana Ross. "While on the road, our driver played us nice relaxing music. Ambassador Limousine Service stocked the limo with my mum's favorite wine and snacks."

Diana Ross noted that Ambassador Limousine Service surprised her mum with a customized birthday cake.

"We were allowed to celebrate the birthday inside the limousine," said Diana. "We sang happy birthday, cut the cake, and then when we left the limousine to go inside the Aquarium, the driver stuck around and waited for 3 hours. Finally, the driver took us home after the Aquarium visit."

Diana Ross concluded by mentioning that Ambassador Limousine Service had impressed her so much that she would continue using its services in the years to come. She also noted that she would recommend the company to others needing top-of-the-line travel services. Finally, she mentioned that people new to the company could read more about its services in the Ambassador Limousine Service media room.
