Call Qualifier Announces Rapid Hiring for Business Adviser Positions

November 27, 2015

November 27, 2015 - PRESSADVANTAGE -

Call Qualifier the leading provider of live transfer leads announces new hiring opportunities. The privately held Largo, Florida firm is expanding to meet the increasing demand from existing clients. After a string of record months in funded deals for our clients, client demand is on the rise as many businesses around the country are now finding multiple uses from their leads generated.

The company's Chief Executive Officer Scott Ely said, "Our in house generated leads are converting extremely well as they go through our unique multi-step verification process ensuring quality live transfers." Call Qualifier is a local, US based call center that focuses on providing quality live transfers, unlike many of the competitors who outsource marketing efforts to foreign countries. A Call Qualifier campaign can help cut prospecting time in half while helping to increase sales.

Call Qualifier is looking to hire multiple experienced business advisors to help fulfill the growing demand from existing clients and manage client accounts. Positions include salary plus bonus and could lead to promotion as the company continues its rapid growth. Those interested in applying should apply on the Call Qualifier website.

Hiring has already begun and will continue until all positions are filled. Those who are well experienced in customer service and sales skills and are looking for part-time or full-time work in a competitive, team-based environment are encouraged to apply online immediately.
