January 20, 2023 - PRESSADVANTAGE -

San Francisco, CA: The Balanced Atlas has brought the innovative NUCCA Chiropractic care to treat patients suffering from head, neck, and back pain in the San Francisco Bay Area. Serving a mission to help patients reach their ideal spinal health and overall well-being, the experienced Chiropractor Dr. Harrison offers corrective adjustments to misalignments found within the upper cervical spine. He has treated patients from all walks of life with great success.

Established in 1966, the National Upper Cervical Chiropractic Association (NUCCA) promotes a safe and non-invasive method of chiropractic care. Applying the signature NUCCA technique, practitioners provide a painless experience that helps realign the spine without invasive procedures or medications. The treatment is also suitable for patients suffering from headaches and migraines, neck pain, TMJD/jaw pain, trigeminal neuralgia, ringing in the ears, and concussion.

Dr. Allen Harrison, a Doctor of Chiropractic and the founder of The Balanced Atlas, has achieved remarkable results for his patients after the NUCCA treatment. Having once been a patient himself, Dr. Harrison brings an inspirational approach to chiropractic treatment in and around San Francisco like no other.

Over the past decade, The Balanced Atlas has built a solid reputation for providing quality treatment and personalized care. Since its conception, the Chiropractic clinic has been a source of relief for hundreds of local patients looking for an alternative approach to their health issues. The role of The Balanced Atlas in the holistic health community has been made evident by its longevity and success ? a testament to the power of NUCCA care.

With Dr. Harrison in his final steps for receiving his full NUCCA Board Certification - an honor held by as few as 40 doctors worldwide - The Balanced Atlas solidifies its name as a top Chiropractic clinic in San Francisco. They continue to offer top-notch care to patients who have suffered from injuries that could have happened anywhere from childhood to the present. The clinic remains loyal to its mission of making quality NUCCA chiropractic available to all who need it.
