Artisan Vapor & CBD Lewisville, one of the largest vapor retailers in the world, is urging locals to visit its retail location at 533 Texas 121 STE B 1, 75067 Lewisville, TX, to find out more about its comprehensive CBD products catalog.

Texans received the legal right to consume cannabinoid products, containing CBD, CBG, CBN, and other cannabinoids, in April 2019. Chapter 443 of the Texas Health and Safety Code, established by House Bill 1325 (86th Legislature), allows for the sale of non-psychoactive consumable hemp products in Texas if the Delta-9 THC (tetrahydrocannabinol) content does not exceed 0.3%. Following the ruling, many retailers are now serving the CBD needs of Texans and very few are as loved and respected by cannabinoid enthusiasts in the state as Artisan Vapor Company.

Lewisville's Artisan Vapor & CBD location offers the parent company's wide selection of CBD products including carts and disposables, edibles, flower buds, pet products, tinctures, topicals, vape juice, and more. The store also stocks several popular alternatives including Delta 8, Delta 9, Delta 10, THC-O, THC-P, THC-V, and HHC. It features CBD products from some of the most recognizable brands in the industry

including 3Chi, Blue Moon, CBDfx, Keylife CBD, Koi, Medterra, Pachamama, Timbr, and more.

The spokesperson for the Lewisville CBD store urges customers to visit by saying, "Our in-store customer service experience is unmatched. You not only get direct access to our exhaustive CBD and Delta 8 THC products inventory but you also get the expert guidance of our staff that has years of experience in the industry. If you are just starting your CBD journey, you can rely on us to seek advice, explore options, fill the gaps in your CBD knowledge, and get a sampling of everything to arrive at your own preferences. On the other hand, if you already know what you like, we will waste no time in getting you exactly what you need. You can visit our website, order online, and enjoy free shipping for orders over \$100. Whether you want the full experience in the store or fast access to affordable high-quality CBD products online, Artisan Vapor Company has everything you need."

The Lewisville vape store has received immense support from the local community of CBD enthusiasts who vouch for its product quality and customer service. It has an overall rating of 4.9 out of 5.0 on its Google Business Profile from over 240 reviews.
