ChrisAlly Events and Party Rentals is a Woodstock, GA-based company that is well known for its wide variety of fun and colorful inflatables, such as bounce houses, combination slides, and toddler-themed inflatables. The company carries a wide range of equipment and frequently delivers rentals to help provide entertainment, seating, and ambiance for birthday parties, graduation celebrations, wedding-related events, festivals, grand openings, vendor fairs, field days, church functions, corporate events, family reunions, and other special occasions.

Many of these items can be read about in more detail on the company's website at <https://www.chrisallyeventsandcatering.co/>. ChrisAlly Events and Party Rentals co-owner Nelson Himiob, said, "While it's true that many of our customers come to us to rent one or more of the fun-enhancing inflatables that we offer, what we can do to make a party or event extra special goes well beyond that. We also offer non-inflatable interactive games, concession machines, tables, chairs, and other items that can help put any party or event over the top."

Himiob notes that while such popular inflatables as their large T-Rex Jump and Dry Slide and their 100? Mega Radical Run Race obstacle course are great additions for parties and events that cater to kids of all ages, some of the other rental items the company offers can greatly contribute to a special event?s success too. The company offers entertainment in the form of games, including inflatable archery target, carnival games, cornhole boards, a giant Jenga set up, bocce, and even a portable ladder toss game.

The company co-owner also pointed out that the dunk tank rentals always make for big fun and more than a few laughs. Other items that ChrisAlly Events and Party Rentals offers that can enhance any party or event include concession trailers, Sno Cone or cotton candy machines, and rock-climbing walls. He added that the company also helps make parties and events more worry-free by offering such necessary support items as tents, tables, chairs, party linens, balloons, decorations, and generators. Delivery and setup are usually included in a party or event rental items listed price and the company?s staff is always ready to help with custom quotes, recommendations, answer questions, and whatever else a customer requires of them to enhance their party. Himiob added, ?If it?s possible to make the world a better place every day, then that?s what we here at ChrisAlly Events and Party Rentals are fully committed to doing.?
