

The ProMedia Group Welcomes Paul Ager Experienced Audio Visual Engineer and Project Manager

March 03, 2023

Tampa, Florida - March 03, 2023 - PRESSADVANTAGE -

The ProMedia Group, a leading audio visual company providing high quality audio visual solutions, is pleased to announce the addition of Paul Ager to its team of experts. With over 18 years of experience in the industry, Ager brings an unparalleled level of expertise and knowledge to the company, bolstered by a long list of high-level certifications and achievements.

Ager's focus is always on customer satisfaction, and he achieves this by keeping clients involved in every phase of a project, demystifying the technology that is being procured, and ensuring complete confidence in the system and a positive user experience. To achieve this, Ager performs detailed site surveys, interviews potential clients, and develops a detailed scope of work, all while keeping the client's needs and objectives in mind.

Paul Ager boasts a long list of certifications and achievements from leading audio-visual equipment manufacturers, including Crestron, Extron, Barco, and Shure. He is a Master Sales Associate (MSA) for Crestron and a Certified Digital Media Engineer (DMCE 4K), Digital Media Designer (DMC-D-4K), and Network Solutions Designer (CNS-D). Ager also has expertise in Crestron's VC-4-PC and CTI-CTF systems. With Extron, Ager is an AV Associate, Control Specialist, NAV Design Engineer, XTP Design Engineer, and Quantum Ultra Video Wall Specialist. He is also a Barco Event Master Tech, Control Rooms SecureStream, Control Rooms Video Wall Manager, and has various networking certifications. Shure has certified Ager as a Master Class Wireless expert.

Ager's expertise also extends to DSP certifications, with specialized knowledge in QSC, Biamp, Dante, Clear One, Crestron, and Extron systems. Additionally, he is an experienced programmer for Crestron, Extron, QSC, and Biamp systems, as well as a certified Barco UniSee Video Wall expert and installer.

Ager's experience in the integrator, manufacturing, and IT worlds has allowed him to deliver successful projects across various sectors, including professional sports venues, education, government, healthcare, and commercial sectors. He has worked on large-scale projects for Fortune 500 companies such as Raymond James Financial, Mutual of Omaha Insurance, Mosaic, Charles Schwab, Coca-Cola, Publix Super Markets, Boeing, Lockheed Martin, Walt Disney, Citigroup, Humana, CVS Health, and more. He has extensive knowledge and experience in high-level AV over IP and video wall designs and implementations.

"I am thrilled to join The ProMedia Group and work with a team of passionate experts committed to delivering the best audio-visual solutions for our clients," said Ager. "I believe in working closely with clients to understand their needs, providing them with expert guidance and service, and delivering a final product that meets or exceeds their expectations. I am excited to bring my expertise to the team and help The ProMedia Group continue to be a leader in the industry."

"We are delighted to welcome Paul Ager to our team," said Ken Avis, CEO of The ProMedia Group. "Paul's vast experience and expertise in the audio-visual industry, along with his focus on customer satisfaction, make him a valuable asset to our team. His passion for audio-visual technology and dedication to his work align perfectly with our values at The ProMedia Group."

With Paul Ager's addition to its team, The ProMedia Group is well-positioned to continue delivering high-quality audio visual solutions to clients across various industries.
