

Roofing Contractor Serving Garland Texas Gets New Five Star Review

April 17, 2023

April 17, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing of East DFW, a roofing contractor based in Garland, TX, is please to announced they have receive a new five star review. This roofing contractor provides its services to Garland and surrounding areas, including East DFW, Balch Springs, Crandall, Forney, Lavon, Mesquite, Nevada, Rockwell, Rowlett, Royse City, Sachse, Sunnyvale, Terrell, and Wylie. They provide different kinds of services, including roof inspections, attic venting, roof installation, roof repair, gutter repair, gutter inspection, and gutter installation.

In the above-mentioned review, Michael L. gave them a five star rating and said, "Very professional. The other companies I received quotes from did not do as thorough of a job. They actually pointed out all of the problems before the work started."

An important service they can provide is the Drone Superscan inspection service. They will perform a drone-assisted inspection that takes a look at 25 elements of the roof and other external parts of the home. These include the: inspection of storm damage caused by hail; aircon unit exterior inspection; inspection of valleys; downspouts inspection; inspection of skylights; inspection of storm damage caused by the wind; inspection of step counter flashing; eaves and rakes inspection; ventilation inspection; inspection of step and

counter flashing; roof edging inspection; drip edge inspection; soffits and fascia inspection; inspection of gutter aprons; nail head inspection; inspection of roof sheathing or decking; plumbing stack inspection; hip and ridge inspection; roof ventilation and exhaust system inspection; window inspection; chimney inspection; gutters inspection; attic inspection; foundation drainage inspection; inspection of siding; and inspection of furnace caps and pipes.

Mighty Dog Roofing of East DFW also offers the Customer Vault, which is a personal storage for every client. This is where they keep the inspection reports, pictures, warranties, maintenance reports, referrals, communications, products used, and other details about the customer's roof and more. The Customer Vault makes it easy and convenient for Mighty Dog Roofing and the homeowner to find any information they require when planning a roofing project or making an insurance claim.

Mighty Dog Roofing of East DFW also provides the Watchdog Maintenance service. This service ensures that any problem with the roof or other related parts of the home is detected as early as possible while it is still a minor issue, such as a small leak in the roof. This is to avoid more serious problems in the future that will be more expensive to remedy. They will conduct inspections every year and provide yearly maintenance reports, which will all be included in the Customer Vault for that particular customer. They will also compare the annual maintenance reports to provide a reasonably accurate prediction of how long the roof will last. This will allow the homeowner to prepare for the major expense of replacing the roof with a new one.

Mighty Dog Roofing also provides the Curb Appeal Visualizer, which is an app that can be used for the convenience of the homeowner. This app can operate on any mobile device, allowing the homeowner to visualize how the house would look like when using a particular paint color or roofing material, etc. The client can try various combinations until they come up with the appearance of the home that they want.

Mighty Dog Roofing of East DFW is locally owned and operated by Kirk Decardenas, who served as a trusted partner to Fortune 500 companies throughout his career, leading his teams with professionalism, collaboration, and integrity. With Mighty Dog Roofing his goal is to be the trusted partner of the homeowner when making decisions about the protection of the home. He expects that with the help of his team of roofing experts will grow the reputation of Mighty Dog Roofing of East DFW as the most trustworthy roofing company in North Texas.
