April 28, 2023 - PRESSADVANTAGE -

36 Puritan Rd, Tonawanda, NY 14150 - Buffalo Bounce House Rental, the premier provider of bounce house rentals in Buffalo, NY, and surrounding areas, is proud to announce the implementation of advanced cleaning and sanitization protocols to ensure the safety and well-being of its clients and their guests. Recognizing the importance of maintaining a clean and hygienic environment, the company has taken significant steps to provide the highest standards of cleanliness for all its party rental equipment.

These advanced cleaning protocols involve a thorough inspection and cleaning process after each use of the bounce houses, combo bouncers, water slides, dry slides, obstacle courses, and fun games. The company employs a combination of industrial-grade cleaning products and methods, including the use of EPA-approved disinfectants, to eliminate harmful germs, bacteria, and viruses that may be present on surfaces.

"We understand the concerns of our clients when it comes to the cleanliness and safety of the rental equipment," said Michael Miller, owner and founder of Buffalo Bounce House Rental. "That's why we have invested in advanced cleaning methods and products to ensure the highest level of sanitization possible. Our clients can have peace of mind knowing that we are committed to providing a safe and enjoyable experience for their guests."

In addition to the rigorous cleaning and sanitization processes, Buffalo Bounce House Rental ensures that all its staff members are well-trained in proper equipment handling, setup, and takedown procedures. The company is fully licensed and insured, adhering to all local and state regulations and guidelines. Buffalo Bounce House Rental is dedicated to maintaining a safe environment at every event by conducting regular safety checks and equipment maintenance.

Furthermore, the company encourages clients to take advantage of the various contactless options available

for booking and communication. Buffalo Bounce House Rental offers online booking through its website and a mobile app, as well as phone and email support for any questions or concerns.
