"We love being a catalyst for fun here in the TriState area," says Darren Blizard, Owner of TriState Party Zone LLC. "I've been running TriState Party Zone for 12 years, so we are in no way new to the industry. We just want to let the community know that we are here, we have a strong base of satisfied customers and experienced workers, and we hope to be around for years to come."

TriState Party Zone offers rentals for bounce houses, water slides, interactive games, combo bouncers, obstacle courses, concession equipment, tents, tables, and chairs. Browse their website for a full list of their services, <https://www.tristatepartyzonellc.com/>.

The company makes it easy to reserve with online, 24/7 booking. Book anytime online through TriState Party Zone's online reservations system. To book, customers simply select the dates for pick up and drop off, select the item, input information, and pay a deposit or pay in full. A minimum order is not required.

The company comes to a party one to three hours before the scheduled time. Set up and take down time is not included in the pre-determined, rental time. On top of this, all rentals come clean. TriState Party Zone cleans and disinfects every rental after a party and ensures cleanliness before.

"TriState Party Zone and staff were extremely easy to deal with, from the initial online order and scheduled to the final pick up of the inflatable," says Travis Batey, customer at TriState Party Zone. "The inflatable arrived very clean and the delivery and setup team was very respectful and easy to work with. TriState Party Zone runs a top notch business, and I would 100% recommend them to anyone."

Besides inflatables, the company also rents out other party add-ons such as cotton candy machines, popcorn machines, snow cone machines, photo booths, and mobile drive-in theater screens. Quality: The company understands a parent's struggles, as many of them are parents themselves. TriState Party Zone believes in quality products that customers can trust. They provide commercial-grade products that meet the safety standards of the party rental industry.

Cleanliness: When it comes to cleanliness, every parent knows how important it is to make sure everything is clean and sanitized. TriState Party Zone makes sure to wipe down the entire inflatable with a commercial-grade sanitizer used in hospitals after each use.

Quick Service: TriState Party Zone provides an easy online schedule and checkout process making renting event equipment the easiest it's ever been.

Value: TriState Party Zone understands the cost of a birthday party or any fun kids gathering can get expensive. This is why they focus on value for a price that doesn't break the bank.

All inflatable party rentals, and other rentals are delivered to the neighborhoods and communities around the TriState Area. Delivery fees are based on area, and equipment. As gas prices rise, farther communities will have to pay more for delivery. Be sure to check with the company before booking, if a party will be far from
