Brayco New Zealand Offers Medical Trolley Range For Healthcare

May 30, 2023

May 30, 2023 - PRESSADVANTAGE -

Brayco New Zealand, a leading supplier of stainless steel products, is excited to announce the launch of their new Medical Trolley range - <https://braycostainless.co.nz/trolleys/medical-trolleys/>, specially designed for the healthcare industry. These hygienic carts are ideal for medical and dental surgeries, hospitals, schools, food preparation areas, and any other environment that requires high hygiene.

According to the spokesperson of Brayco New Zealand, "The new Medical Trolley range is constructed to provide a secure and smooth ride while lasting a long time. The team recognises that hygiene and durability are critical considerations in the healthcare industry. Therefore, the trolleys are manufactured using high-quality stainless steel or polycarbonate materials that have easy-to-clean and hygienic surfaces. The trolleys are also designed with rounded corners to minimise impact damage and easy-glide castors, making it simple to transport clinical supplies and provide patient care."

Brayco New Zealand's Medical Trolley range comes flat packed, with simple assembly instructions and tools

supplied, making it easy to set up in any environment. The Medical Trolley range is available in a variety of sizes, so there is a trolley to suit every need.

"Team members are proud to offer customers a product that not only meets but exceeds their expectations," said the spokesperson. "The Medical Trolley range has been designed with the healthcare industry in mind, so the team understand the importance of providing a reliable and durable product that meets their specific needs."

Brayco New Zealand's range of stainless steel products continues to grow, with the introduction of the Medical Trolley range being the latest addition. In addition to this, they also offer a variety of stainless steel products such as commercial kitchen equipment, shelving, benches, sinks, and more. Brayco New Zealand is dedicated to offering top-notch products at competitive prices, combined with outstanding customer service.

Brayco New Zealand's best-selling medical trolleys are the Brayco Commercial Grade Stainless Steel Medical Trolley, 762 x 762 x 900mm high, and the Brayco Commercial Grade Stainless Steel Medical Trolley, 914 x 610 x 900mm high. These trolleys are built to last and are designed to meet the needs of healthcare professionals.

Looking to the future, the spokesperson mentioned "Team members are constantly looking for ways to improve the products and services. The launch of the Medical Trolley range is just the beginning of what Brayco New Zealand hope will be a long and successful journey in the healthcare industry."
