

Illinois Mortgage Provider David Hochberg Offers Advice on VA Home Programs

Northbrook, Illinois - June 23, 2023 - PRESSADVANTAGE -

David Hochberg, a leader in the Illinois mortgage industry, is urging veterans across the state to find out more about the mortgage options available to them courtesy of the VA.

The VA's housing assistance programs make it easier for veterans, service members, and their surviving spouses to get mortgages at much better rates and terms than what they would otherwise get from retail vendors. While they still require applicants to clear a minimum threshold of credit scores and income, the requirements are much less demanding than most other providers. Moreover, more than 90% of VA-backed mortgages are also made with no downpayment.

There are several types of VA mortgages. VA-backed purchase mortgages help veterans get better terms with private providers. Cash-out refinance mortgages are designed to help applicants leverage their home equity and use it for other life goals such as paying off debt, paying tuition fees, and anything else they see fit. Interest Rate Reduction Refinance mortgages make it easier to pay off an existing mortgage by reducing

monthly payments.

David appeals to veterans to find out more about and apply for VA mortgages by saying, "The horrors of war leave many of our veterans both physically and mentally scarred in ways that are hard to comprehend. It can be very difficult to get a fresh start at life on par with others their age. So, VA-backed mortgages are just one of the many ways in which our nation tries to look out for those who stepped up and gave us their best when we needed them the most. As an experienced Illinois mortgage provider, it is my honor to help these brave souls secure a life of dignity and respect, for themselves and their families, in the land they so valiantly fought to protect. A recent review from a veteran says, "Left a message for David regarding whether we should keep a balance on a HELOC and continue to pay interest or use money in the bank (which earns nothing) to pay it off. He was unbelievably quick to respond to my email. He actually called us, was very thorough, gave us great advice, and thanked my husband for his military service. Wouldn't hesitate to do business with him. Outstanding!?"

Another client who secured a VA mortgage with Team Hochberg says, "My dealings with Dave have been rewarding. I am a veteran and I appreciate his heartfelt thanks and support for my service. His advice on improving my credit scores was direct, easy to understand, and immediately implementable. Looking forward to all my future dealings with him and his great team."
