They want to emphasize that their services include: roof installation, roof repair, roof inspection, gutter repair, gutter inspection, attic venting, commercial roofing, and gutter installation. Those who are considering a possible roofing project can request for a free estimate. Once they receive a request, they will visit the home of the customer to conduct an inspection before they finally provide the customer with an estimate. Those who would like to get more details about the company and their various services can visit company website.

A spokesperson for Mighty Dog Roofing of Northeast New Jersey says, "For over 20 years, Mighty Dog Roofing has provided homeowners and business owners nationwide with the high-quality roofing services they deserve. Our trusted, certified experts can handle roof repair and roof replacement, no matter the size. Your local Mighty Dog Roofing gives free inspections in your neighborhood."

To perform the 25-point inspection service, they provide the Drone Sky View, which employs drone technology to check various points of the roof and the home's exterior. This includes: inspection of siding;

inspection of valleys; eaves and rakes inspection; inspection of skylights; ventilation inspection; inspection of storm damage caused by hail; inspection of step and counter flashing; nail head inspection; inspection of gutter aprons; hip and ridge inspection; drip edge inspection; chimney inspection; inspection of roof sheathing or decking; roof edging inspection; gutters inspection; soffits and fascia inspection; plumbing stack inspection; roof ventilation and exhaust system inspection; window inspection; attic inspection; downspouts inspection; inspection of furnace caps and pipes; inspection of step counter flashing; foundation drainage inspection; air conditioning unit exterior inspection; and inspection of storm damage caused by the wind.

Mighty Dog Roofing of Northeast New Jersey also offers the Customer Vault that offer a personal storage for each and every customer. This is where all pertinent information about the roof and home of the customer is kept. These include: warranty information; photographs and videos; yearly updated drone inspection information; insurance information repair records; reports for the customer's realtor/insurance agent; monitoring of all repairs and replacements with dates, products, and services used; all insurance details for easy and convenient claims handling; manufacturer information; and yearly reminders for the inspection of the customer's roof.

Mighty Dog Roofing of Northeast New Jersey also offers the Watchdog Maintenance service that assures homeowners they have a reliable roof. In addition to the workmanship warranty that they provide, the premier manufacturers providing roofing materials for the projects they undertake also provide extended product warranties. Their Mighty Watchdog Maintenance Program symbolizes their desire to cultivate long-term partnerships with their clients. Maintenance inspections are conducted annually to detect any potential problems as early as possible to prevent them from becoming worse and evolving into serious issues in the future that will be expensive to fix. They will also compare the results of the annual inspections to enable the roofing experts to provide a forecast of how long the roof can be expected to last.

Mighty Dog Roofing of Northeast New Jersey offers a high level of quality, sophistication, and focus of customer service for the community of Paramus and various neighborhoods in the area. The spokesperson for the company says, "All of our projects are manned by certified and experienced experts, and we bring a technologically-centric, advanced approach to roofing that includes drone-assisted assessments and other innovative tools. Hop on a call with one of our friendly customer service personnel to learn more and feel free to give us a shout by using our contact form if you have any questions or comments!
