

Amana Care Clinic Is the Place to Go to When Looking for an Urgent Care Medical Health Clinic in Muscatine Iowa

July 11, 2023

MUSCATINE, Iowa - July 11, 2023 - PRESSADVANTAGE -

Amana Care Clinic wants to emphasize they are the place to go to for those who are looking for a Muscatine urgent care clinic to get treatment for minor health problems. As a walk-in urgent care medical clinic, they can provide faster, more affordable, safer, and more convenient alternative compared to going to emergency rooms, hospitals, or other local health care clinics.

Amana Care Clinic presented examples of urgent health care issues that they can handle so that patients will no longer have to waste their time waiting in line in the emergency department of a hospital and in other health care clinics. These include: bites; burns; abrasions; back discomfort; cut or laceration, needing stitches, wound follow-up, wound recheck, dressing change, and removal of sutures; diarrhea; childhood illness such as rashes, pink eye, or eye symptoms, impetigo; cold symptoms such as sore throat, fever, cough; fractured bone; injury of the foot, ankle, knee, hand, wrist, elbow; joint pain; ear pain or infection; fish hook removal; sunburn; sports physicals; muscle injury ? pull, strain, sprain; rash; sinus pain or infection; full lab services; x-rays; urinary tract infection; vaginal discharge; and other minor health conditions.

A spokesperson for Amana Care Clinic says, "Our certified staff is among the best available for quickly diagnosing and treating the full range of patients with urgent care needs. Their excellence enables them to make full use of the facilities, from state-of-the-art procedure and exam rooms to the X-ray and laboratory equipment. This neighborhood in Muscatine needed a clinic to meet the medical care needs of residents and businesses. Before you need urgent care, you're welcome to drop by for a visit to learn more about us ? just walk right in." Those who are interested in learning more about Amana Care Clinic can check out their Facebook page.

However, they would like to clarify that there are certain health conditions where they suggest that the patient

visit the emergency department or call 911. These include: change in mental status (such as unusual behavior, confusion, or difficulty arousing); severe bleeding that won't stop; serious difficulty breathing; fainting or loss of consciousness; chest pain; choking, coughing or vomiting blood; severe or persistent vomiting or diarrhea; feelings of wanting to harm oneself or others; head or spine injury; near drowning; sudden injury due to motor vehicle injury; burns or smoke inhalation; swallowing a poisonous substance; a deep or large wound; sudden dizziness, weakness or change in vision; sudden blindness or severe eye injury; abdominal pain; carbon monoxide exposure; pregnancy related concerns; sexual assault; vaginal bleeding (non-pregnancy); and partial or full paralysis.

Amana Care Clinic was launched to offer an urgent care clinic for the neighborhood in Muscatine where patients can go to for minor health problems that don't need a visit to the emergency room or hospital. The medical staff at the clinic are among the best available for rapidly diagnosing a certain patient's health issues and provide the appropriate treatment, using their advanced facilities, X-ray, exam rooms, and lab equipment. Patients can simply go to the clinic, walk right in, or they can sign in online to reserve a spot and they are assured they will be seen by an expert and compassionate medical professional, without the typical long waiting time.

Residents and visitors in Muscatine are very active people because of the huge number of things to do and places to go.
