

Little Elm, Texas, Window Treatment Store Bumble Bee Blinds of Frisco Is Providing Homeowners Free Design Consultations

September 25, 2023

September 25, 2023 - PRESSADVANTAGE -

Bumble Bee Blinds of Frisco, Texas, is offering local homeowners high-quality blinds, shades, shutters, and a wide range of other window treatment services. For more information, visit web site.

Handling everything from consultation and ordering to installation and completion, Bumble Bee Blinds makes it extremely easy for Texas homeowners to get the window treatments they have always wanted for their properties. Whether property owners need modern window treatments with smart options or something more traditional, Bumble Bee Blinds has the expertise, product range, and equipment to make it happen.

The company's window blinds offer homeowners precise control over natural light, making it easy and affordable to revitalize any personal space. Customers can choose between several material options such as wood, composites, aluminum, and more based on their needs and aesthetic preferences.

Bumble Bee's window shutters, available in wood and composite materials, are an elegant addition to window spaces that add privacy while maintaining a distinctive look. Finally, the company's window shades

offer not just privacy but also block light to a great extent and offer some much-needed insulation during summers and winters.

“Every homeowner has a different vision for how they want their home to look,” says the spokesperson for Bumble Bee Blinds of Frisco. “Our wide product range and expertise in the industry allows us to highlight all the best options that meet your requirements and fit within your budget. We are also with you throughout every step of the process, ensuring the project is completed exactly how you originally envisioned it. For more information about Bumble Bee Blinds, visit company website.”

For Frisco homeowners, Bumble Bee Blinds offers free in-home measurements. Customers don’t have to worry about making multiple trips to the company’s Little Elm showroom as its technicians will bring all samples on-site. They also come prepared with all the equipment needed to measure the window frame, grommet, and valance spaces with precision.

The company also offers customers a chance to visualize how their selections will look with its free visualizer tool. Customers can create virtual window concepts from the comfort of their homes using the full breadth of the company’s product portfolio, including any specific product they have in mind. Homeowners are also urged to work with Bumble Bee’s design experts who can guide them in picking the right product, style, and color.

Bumble Bee Blinds of Frisco has received the support and appreciation of the local Texas communities it serves. This is evident in the perfect overall rating of 5.0 out of 5.0 on its Google Business Profile where customers praise the quality of the company’s workmanship, stellar customer service, and wide range of window treatment options available.

A recent review says, “Best in the city hands down. I made a call to Bumble Bee Blinds and immediately from start to finish they were able to assist our company with getting blinds for our building. Shemekia Lawrence was and is the best representative. If anyone is looking for blinds or window shades for your home, please give them a call TODAY!!! Thank you!!! Thank you!!! Thank you!!!”

Another customer writes, “Bumble Bee Blinds helped fix some shutters that were not fitting my windows after a remodel. No one else was willing to come out and even take a look at the issue and I was really concerned. They came out, took a look, had their installer take a look, and did what they could to fit those shutters very promptly. They also have a beautiful product and if I decide to replace or add new shutters, based on their service, I am using Bumble Bee Blinds of Little Elm.”

Based in Little Elm, Bumble Bee Blinds of Frisco serves customers in Frisco, Aubrey, Carrollton, Celina, Gunter, Pilot Point, Plano, Prosper, The Colony, and Tioga. The company offers homeowners free design

consultations as well as financing options through its partnership with OperandiFi.

Readers in Little Elm can contact Bumble Bee Blinds of Frisco at (866) 540-8285 for inquiries or schedule an in-person appointment at this address.
