November 13, 2023

Austin, Texas - November 13, 2023 - PRESSADVANTAGE -

Austin All Cash Home Buyers is helping the city's homeowners sell their properties fast without dealing with realtors, repairs, showings, and any other uncertainties.

Led by Austin house buyers Claudine and Dominic, the couple pays cash for local homes "as-is", in any condition. This means that homeowners can skip the process of listing with a real estate agent and immediately get a cash offer that allows them to move on from a property they want to get rid of quickly.

"Real estate agent-led sales can take anywhere from weeks to even months with no guarantee that the house will sell," says Claudine for Austin All Cash Home Buyers. "With us, there are no banks involved, no appraisals, no realtors or realtor commissions, no contingencies, and no closing costs which means no stress."

Austin All Cash buys properties in Austin, and nearby Pflugerville, Buda, Kyle, Round Rock, Manor, Elgin, Dripping Springs, Spicewood, Bastrop, and Cedar Park. The company promises that, given the right assistance from the property owners, it can close deals in as little as 7 days. Austin All Cash's simple

three-step process includes submitting an online form or calling to request an offer, scheduling a confidential visit to finalize the offer, and finally picking the closing date according to the homeowner's convenience.

"Speed is just one reason to work with Austin All Cash Home Buyers," says Dominic. "Since we are buyers and not middlemen, you don't need to go through the extra steps of listing your home in an MLS or going through the hassle that comes with showings. Whatever your reason for letting your home go, we buy houses Austin residents just can't wait to sell and start the next exciting phase of their lives."
