

Worcester Locksmith Expands Offerings with New 24/7 Emergency Services

November 06, 2023

November 06, 2023 - PRESSADVANTAGE -

Worcester, UK - Worcester Locksmith, the leading locksmith service in the Worcester area, has announced expanded hours to now provide 24/7 emergency services. Worcester Locksmith will offer prompt support around the clock for situations including lockouts, lost keys, broken keys, and other urgent needs.

"We want to always be there when customers find themselves in a bind with nowhere to turn," said Ali Ahmed, Director at Worcester Locksmith. "By offering emergency locksmith services 24/7, we can quickly come to the rescue at any hour whether it's a homeowner locked out in their pajamas or a business owner securing their property after a break-in."

Worcester Locksmith's team of fully licensed locksmiths have the experience to handle any residential, commercial, or automotive lock or key emergency. Services available 24/7 include:

Emergency lockout service - Fast response to unlock homes, offices, cars and more when keys are lost,

stolen, or forgotten.

Key replacement - Professional cutting and programming of new keys for homes, vehicles, safes, and other locks.

Lock installation & repair - Prompt resolution of any issue from break-ins to general wear and tear.

Rekeying - Change the inner workings of locks so old keys no longer provide access.

Lockout - On-site assistance getting back into homes, cars, safes, or other locked spaces.

Lock Repair - Maintenance and fixes for all types of locks including replacements of parts.

Locks Upgrade & Replacement - Install higher security locks needed for new construction or improved protection.

UPVC Lock Repairs - Fixes to locks on PVC or plastic doors and windows.

Door Repair - Reinforcement and adjustments to door frames, locks and closing mechanisms.

Garage Doors Locks Repairs - Service and replacements for automatic opener locks.

Window Locks Repairs - Maintenance and replacements for security of window locks.

Broken Key Extraction - Remove broken key remnants safely from lock cylinder.

Burglary Repairs - Reinforcement of locks and frames after break-in attempts.

Advice on Security Options - Consultation on appropriate locks and alarm systems.

Worcester Locksmith aims to arrive within minutes of an emergency call to provide urgent solutions with minimal interruption or downtime. All work is performed by trusted professionals and guaranteed.

Worcester Locksmith urges community members to save their 24-hour hotline number (01905701011) for emergency access at any time. Dispatchers connect customers with the on-call technician who can reach their location fastest, even in poor weather and other challenging conditions.

The locksmith recommends preparing for emergencies by taking basic precautions:

Keep a spare key with a trusted friend, family member or neighbor.

Carry an extra car key separately from one's main set.

Know how to quickly find and share one's location if stranded.

Save locksmith contacts in one's phone to enable fast callout.

Avoid keeping duplicate keys hidden outside one's home or business.

While emergencies cannot always be prevented, Worcester Locksmith eases the stress and disruption of handling issues like lockouts, lost keys, and related crises. Worcester Locksmith's expert technicians have intimate knowledge of all lock types and brands to resolve problems rapidly and completely.

Worcester Locksmith Director Ali Ahmed stated: "Through our new 24/7 availability, we can be an immediate resource for the community when lock or key emergencies arise. Our customers' safety and security are our top priorities. By expanding emergency services, we ensure constant, professional solutions around the clock."

The locksmith has served residential, commercial, and automotive customers in Worcester for over 10 years. Their experienced, licensed technicians undergo rigorous training and continuing education. The company is fully insured, and all work is guaranteed.

Worcester Locksmith encourages those needing assistance to call their 24/7 hotline on 07391357095 or 01905701011. More information about Worcester Locksmith emergency and standard services can be found at <https://www.worcesterlocksmiths.co.uk>.
