The Cannon Beach Oregon Designer Shower Curtain features the magical place known as the Cannon Beach, with its distinguished rock formations and its long shallow beach with beautiful pools of swirling eddies of water that emerge or disappear along the coastline as the tides go in or out. Due to its majestic and attractive displays of nature in this magical place, people often come at sunset to view the clouds, the sky, and the reflection of the sun as it sets in the western sky. It features Cannon Beach, which is a coastal town in Oregon that features the perfect getaway with its iconic ocean views.

The Cannon Beach is a small town with a perfect little wine shop that offers local wines available through wineries in the area, including expert advice provided by wine master Laurel Hood, who owns the Laurels Wine Shop. With its iconic coastal town, the Cannon Beach Oregon Sunset Shower Curtain offers an original touch for any bathroom, room divider, wall, photo backdrop, and other ways of using this item depending on one's imagination.

The Cannon Beach Oregon Designer Shower Curtain is manufactured from strong and durable 100 percent polyester to ensure that it will remain looking new for a long time. This synthetic fabric offers the advantage of retaining its shape and drying fast. To ensure full waterproof capability, they recommend using a liner to ensure it is fully waterproof.
