

Keathley Landscaping Elevates Outdoor Elegance with Professional Sod Installation Services

March 15, 2024

GARLAND, TX - March 15, 2024 - PRESSADVANTAGE -

Keathley Landscaping, a renowned full-service landscaping company, is delighted to declare the extension of its services to now incorporate professional sod installation. This established firm, with an impressive track record of 18 years in the industry, has supplemented this essential service to its already generous offerings, keeping in step with the evolving requirements of its clients.

Known for their meticulous attention to detail and customer-centric focus, Keathley Landscaping provides its expert services to locations such as Dallas, Garland, Wylie, and Plano, Texas. Their team of highly trained professionals specializes in landscape design and construction, installation of patios, fences, pergolas, and decks, and a broad range of lawn care and maintenance services. With the addition of the sod installation service to their service framework, the company broadens its reach, which mirrors its commitment to continued expansion and enhancement in response to customer needs.

"This move allows us to deliver a rapid and effective method for homeowners to establish appealing lawns,"

noted Logan Keathley, a representative from the company. "It's not just an expansion of services; it's our response to meet a vital need that many of our customers encounter."

In this region, excessive rainfall can often be a challenge. By combining yard drainage services with professional sod installation, Keathley Landscaping offers a solution that can alleviate flooding concerns and protect from potentially severe damage. Their landscaping solutions enhance not only the look of an outdoor area but also serve a practical role in maintaining and extending the yard's longevity.

"We aim to fulfill and even surpass our customers' expectations with exceptional landscaping solutions. Our new professional sod installation service evidences our commitment to providing flexible and all-encompassing landscaping solutions," added Keathley.
