April 19, 2024 - PRESSADVANTAGE -

Celestial Stem, a renowned figure in the CBD and non-CBD wellness industry, recently unveiled a new addition to their expansive lineup of wellness products - the sour apple CBD gummies. This innovative product joins a comprehensive catalogue that includes pet products, artisan gummies, tinctures, topicals, bath bombs, and wellness teas. Crafted with full spectrum extract, the sour apple CBD gummies blend a delightful flavor with notable wellness advantages. These vegan gummies are locally crafted in small batches, a process that ensures their quality and freshness. Committed to health consciousness, Celestial Stem avoids the use of high fructose, artificial flavors and colors, gelatin, and gluten in its products, maintaining its pledge to offer superior, health-focused items to its clientele. The product lineup at Celestial Stem features an array of choices, including the prized full spectrum CBN night time tincture. Formulated to bolster nocturnal wellness routines, this tincture blends 1200mg of CBD with 600mg of CBN, aiming to enhance sleep quality without the psychoactive impacts of THC, given its composition of less than 0.3% total THC and D9-THC. The introduction of both the sour apple CBD gummies and the full spectrum CBN tincture signifies Celestial Stem's unwavering dedication to providing a diverse

range of premium, wellness-centric products.

Jason Axtolis, CEO of Celestial Stem, shared his excitement over the new offering by saying, "Our sour apple CBD gummies are a testament to our ongoing commitment to innovation in the wellness industry. By combining the natural benefits of full spectrum CBD with a flavor that our customers love, we're able to offer a unique product that not only tastes great but also contributes to overall health and well-being."

In its pursuit of excellence, Celestial Stem is known for its exceptional customer service and satisfaction measures, including free shipping across the United States and a 30-day return policy. With a physical presence in Mesa, Arizona, Celestial Stem accommodates customers in-store and on its extensive online platform, facilitating easy access to its broad array of wellness products.

Celestial Stem upholds quality and safety across its product range, adhering to stringent industry standards. Designed for individuals over the age of 18, the products come with advisories against use by pregnant or nursing women. While aimed at supporting wellness, these products are not intended for diagnosing, treating, curing, or preventing any diseases.

Concluding, Axtolis remarked, "We believe in the power of natural wellness solutions. Through our continuous product innovation, we aim to meet the evolving needs of our customers. Our sour apple CBD gummies and full spectrum CBN products are just the beginning. We're excited to keep expanding our product line with items that reflect our commitment to quality, health, and customer satisfaction."

With the introduction of the sour apple CBD gummies and the sustained offer of the full spectrum CBN tincture, Celestial Stem reinforces its leading position in the wellness market, committed to improving the health and well-being of both humans and animals.
