July 01, 2024 - PRESSADVANTAGE -

Hosted on the industry-leading Live365 network, Cowgirl Radio is thrilled to announce an exciting update to its lineup, introducing a dynamic blend of Americana, Soul and Alt-Country tunes. This update brings aboard music from notable artists such as Candi Staton, Cindy Cashdollar, Dolly Parton, Emmylou Harris and Linda Ronstadt. These enhancements not only broaden the station's musical diversity but also emphasize Cowgirl Radio's intent to offer a compelling and varied listening experience.

Cowgirl Radio's founder, Ben Killen, expressed excitement over these new developments, stating, "The Soul genre has always been a personal favorite of mine, and in a way, embodies the innovative spirit of Cowgirl Radio. Its nearest-neighbor status with the Country genre is also captured in the timeless appeal of Americana music, introducing audiences to undiscovered sonic realms and a new musical landscape. Together with the addition of the iconic voice of the Candi Staton, the incomparable steel playing of Cindy Cashdollar, Dolly's universal appeal, skillfully-crafted narratives, and Yola's soaring vocals, we're doing more than just playing music; we're raising-up our favorite voices to empower the ongoing narration of the Americana music story."

Cowgirl Radio's dedication to showcasing a broad spectrum of talent reaffirms its essential role in the music community. By featuring artists from a wide variety of backgrounds and genres, the station cultivates a community of listeners who are enthusiastic about music that reflects stories of life, love, and the human condition.

Moreover, as digital and internet radio transform how listeners engage with music, platforms like Cowgirl Radio play a critical role. They offer a curated space where the past and present intertwine, facilitating a dynamic exchange between artists and their audience. This fosters a vibrant music culture that moves beyond entertainment to offer a sense of hope, inspiration, and belonging for listeners around the globe.

Cowgirl Radio's commitment to diverse programming mirrors a broader cultural appreciation for Americana and Alt-Country, genres known for their profound narratives and emotional depth. In supporting these genres, Cowgirl Radio not only elevates artists but also contributes to the preservation and evolution of a musical heritage that resonates with the American experience.
