

Michigan Fireplace and BBQ Announces Spring Sale with Discounts on Fireplace and Barbecue Products

June 04, 2024

June 04, 2024 - PRESSADVANTAGE -

Michigan Fireplace and BBQ, a leading family-owned and operated retailer of high-quality fireplaces and barbecue products since 1976, is thrilled to announce their highly anticipated Spring Sale. Running for a limited time, this event offers customers incredible savings on a wide range of top-tier fireplaces and Weber grills, including discounts of up to \$500 on select fireplace products and up to \$300 on Weber grills.

Spring Sale Highlights include savings of up to \$500 off on all fireplace products, including gas fireplaces, electric fireplaces, wood fireplaces, and fireplace accessories. Customers can also save up to \$300 off on Weber grills with free assembly and delivery, making it easier than ever to upgrade their outdoor cooking experience.

Michigan Fireplace and BBQ has been serving the community for nearly five decades. Known for their exceptional customer service and a vast selection of premium products, they cater to both residential and commercial needs, ensuring every project, whether new construction, remodeling, or refurbishing, is a

success.

They offer:

Fireplaces: Gas Fireplaces enhance the home's warmth and ambiance with a range of efficient and stylish gas fireplaces. Electric Fireplaces offer modern designs that provide ease of installation and versatile placement options. Wood Fireplaces are perfect for those who love the authentic crackle of burning wood. Fireplace Accessories include everything needed to complete a fireplace setup, from glass doors to mantels.

Barbeques: Gas Grills are top-of-the-line, including the Weber Summit S-670, perfect for any grilling enthusiast. Built-In Grills are ideal for custom outdoor kitchens, providing a seamless and sophisticated cooking space. The selection also includes versatile grilling options like griddles, smokers, and the iconic Big Green Egg.

Specialty Products: Fire Pits and Outdoor Fire Tables extend outdoor enjoyment with elegant and functional fire features. Direct Vent Gas Insert Fireplaces improve the efficiency and beauty of existing fireplaces with easy-to-install inserts that use 100% outside air for combustion to preserve indoor air quality and provide superior zone heating.

Customer Testimonials: "We've purchased BBQs here and a fireplace insert. Very informative people and they deliver what they say. Quality items," says Suzie M. "I have purchased two Broilmaster portable grills from these wonderful folks over the last 35 years - they are very, very customer-focused - you won't find a more conscientious crew, selling QUALITY grills at a competitive price," says Robert S. "John was quite excellent in meeting my needs over the past couple of months. Always courteous, knowledgeable, and a good listener. I highly recommend this store and John. Don't bother going anywhere else," says Robert W. "I so appreciated the professionalism of the crew. They were on time, they left my house cleaner than before they arrived, and since I have been so impressed with how they help others. Great company that I will use again," says Chris E.
