

Al Jassra Digital Launches Full-Service Web Agency in Qatar

December 31, 2015

December 31, 2015 - PRESSADVANTAGE -

Al Jassra Digital announced today that it has launched a full-service Web agency in Qatar. Service offerings including website design, website development, content management systems, microsite design and e-commerce solutions. The firm also offers graphic design and digital marketing services, such as pay-per-click (PPC) advertising, social media marketing, email marketing and search engine optimization (SEO). Al Jassra Digital is a division of Al Jassra Corporate Services.

“Qatar is thriving, with all sorts of corporate expansion underway,” says the owner. “To serve this growing, increasingly entrepreneurial market, we are expanding our offerings and enabling our clients to benefit from a full suite of digital marketing services.”

Al Jassra has the ability to combine services to enable client businesses to grow online. The firm can design engaging user interfaces but also do the complex back-end programming necessary for e-commerce, online publishing and other sophisticated functionality needed by digital companies today. Then, as client businesses launch online, Al Jassra can step in with an end-to-end digital marketing solution that includes search engine marketing (SEM) and SEO.
