Dr. Andrea Adams-Miller, a featured speaker known as 'The Dream Maker,' emphasizes the unique opportunity the Wealthy Healers and Coaches Conference provides. She states, "This conference is not just about knowledge; it's about actionable strategies to propel business to new heights. It's a chance to learn from the best in the industry, gaining cutting-edge insights and practical tools to transform professional practices and elevate impact." Dr. Andrea Adams-Miller will showcase "Harness the Healing Power of Neurocopywriting: Transforming Holistic Practices and Attracting Clients with Brain-Based Publicity & Marketing Magic."

The Wealthy Healers and Coaches Conference is designed to cater to a wide range of professionals, including spiritual healers, health coaches, meditation instructors, exercise and fitness trainers, wellness practitioners, physiotherapists, nutritionists, naturopaths, counselors, life coaches, business coaches, and trainers. The summit promises a wealth of knowledge and practical insights tailored to enhance their unique practices and business impact.

The summit will feature influential speakers sharing their expertise in business growth, marketing, and personal development. These speakers include Dr. Andrea Adams-Miller, who will cover neurocopywriting brain-based messaging; Shiraz Baboo, who will showcase getting out of unconscious addiction to struggle; Ann Hession, who will cover authentic, heart-centered sales techniques; and Carrie Wallis, who will speak on developing profitable marketing strategies.

Furthermore, speakers include Chris Kyle, who will focus on creating and launching transformative online courses; Angel Tuccy, who will discuss leveraging podcast guest spots for visibility and lead generation; and David J Riklan, who will explain how to use joint ventures and partnerships to grow business.

Other notable speakers are Deborah Drummond on maximizing media results, Jay Fairbrother on adding six-figure recurring revenue programs, Jill Lublin on gaining media visibility, Kimberly Crowe on connecting with stages and opportunities, and Leslie Capps on crafting compelling stories for marketing and sales.

Registration is free to attendees. However, there is an exclusive opportunity to upgrade to VIP. [Click here to sign up now.](#)

Attendees will learn proven techniques to grow their practices, create effective marketing campaigns, leverage media visibility, develop compelling stories, and discover authentic sales techniques. They will also receive practical guidance on how to apply these strategies in their businesses. The conference also offers insights on building and launching successful online courses and programs and exploring the latest brain-based techniques to craft engaging and persuasive copy that resonates with audiences.

Shiraz Baboo is an Award-Winning Author, International Speaker, and Reality-Shifting Specialist. Shiraz enables people to rewrite their business stories and, with them, their reality because most people are unknowingly addicted to limiting and obsolete stories and are left with a lack of success, confidence, and freedom. Shiraz helps to eliminate, terminate, and annihilate unconscious addiction to these stories to propel the business forward and fuel an abundance of free time, money, and energy.

Kimberly Crowe of Entrepreneurs Rocket Fuel is an award-winning, international inspirational public speaker, keynote speaker, TEDx speaker, and authority on speak-to-sell. She is also a best-selling author and serial entrepreneur. She is the broadcast personality of the weekly online show Speakers Playhouse and the founder of Entrepreneurs Rocket Fuel. Kimberly is known for her expertise in audience engagement. Her mission is to make speaking on stages super accessible and super fun for entrepreneurs and coaches to share their message with the world.
