

The Artist Tree Weed Dispensary - Beverly Hills Expands Selection of Premium Cannabis

June 13, 2024

June 13, 2024 - PRESSADVANTAGE -

The Artist Tree Weed Dispensary - Beverly Hills is thrilled to announce an expanded selection of premium cannabis products, offering customers an unparalleled range of high-quality options. Located at the heart of Beverly Hills, The Artist Tree continues to enhance its offerings to meet the diverse needs of its clientele.

The expansion includes new and curated cannabis products that highlight unique strains and eco-friendly options, reinforcing The Artist Tree's commitment to quality and sustainability. The dispensary now features a wider variety of brands, including Alien Labs, 710 Labs, WYLD, Dr. Norm's, Arcata Fire, Mary's Medicinals, and Care By Design. This development is set to further enhance the shopping experience for both new and returning customers.

Alien Labs is celebrated for its cured resin cartridges, known for their potent effects and rich terpene profiles. These cartridges are meticulously crafted to provide an authentic cannabis experience, making them a preferred choice for connoisseurs seeking high-quality resin.

710 Labs offers premium cannabis flowers that are hand-trimmed and meticulously cared for from cultivation to harvest. Their flowers are renowned for their purity, potency, and rich flavors, ensuring an exceptional experience with every use.

WYLD is famous for its delectable gummies, which are infused with real fruit and natural flavors. WYLD gummies provide a consistent and enjoyable experience, making them a popular choice among those who prefer edibles. The brand's commitment to using natural ingredients sets it apart in the cannabis industry.

Dr. Norm's specializes in edibles that blend great taste with precise dosing. Their products, including cookies and other treats, are crafted with care to ensure consistent effects, providing a reliable and enjoyable option for consumers.

Arcata Fire is known for its live resin products, which capture the essence of the cannabis plant at its peak freshness. Their live resin offerings are prized for their vibrant flavors and potent effects, delivering a full-spectrum experience that appeals to discerning users.

Mary's Medicinals offers topicals that combine the benefits of cannabis with advanced transdermal technology. Their products are designed for targeted relief, making them a valuable addition to the dispensary's wellness-focused offerings.

Care By Design provides tinctures that are formulated for precise dosing and tailored effects. Their tinctures are a versatile option for those seeking the therapeutic benefits of cannabis in a controlled and customizable form.

This weed dispensary in Beverly Hills provides a comprehensive and convenient shopping experience, with in-store pickup and in-store shopping options available. Customers can browse the extensive selection of products in a welcoming and artistic environment that reflects the dispensary's unique focus on the intersection of art and cannabis culture.

"Travelling and finding weed is hard when you can't bring it with you. We went to this shop, which is beautiful. Right away we were greeted and they were super helpful," said Lynne, a satisfied customer. "A common thing in LA is the shops and stores pushing you to continue to spend more and more money and thankfully in this establishment we were treated like actual customers and not attacked like desperate people. They answered all the questions we had, and everything was super smooth. The weed quality was better than expected and such a beautiful store."

In addition to the expanded product line, The Artist Tree cannabis dispensary offers great dispensary deals to

their customers. The Beverly Hills dispensary menu includes options for both recreational marijuana and medical marijuana users, with a focus on high THC products for those seeking potent effects, as well as medical weed options for patients.
