

Trusted Experts My Service 1 Expands Electrical and Plumbing Services with Bathroom Remodels and EV Chargers

June 19, 2024

June 19, 2024 - PRESSADVANTAGE -

My Service 1, a well-regarded local provider of electrical and plumbing services, is pleased to announce the expansion of its service offerings. Known for its fast, reliable, and customer-focused solutions, the company will now include comprehensive bathroom remodels, EV chargers installation, and sewer line replacement in its suite of services.

Eduardo Fonseca, CEO of My Service 1, shared his excitement about these new offerings. "Our aim has always been to provide a one-stop solution for all home service needs. By adding bathroom remodels, EV chargers installation, and sewer line replacement to our service list, we are committed to making sure our customers have access to the most comprehensive services available," he said.

My Service 1 has built a strong reputation for its versatile expertise. The company's expansion into bathroom remodels stands out. This service is designed to transform bathrooms into more functional and visually

appealing spaces. The company takes care of everything, from initial design to the final touches, helping customers create their ideal bathroom without the usual headaches of remodeling projects.

In addition to bathroom remodels, My Service 1 is also extending its services to the installation of EV chargers. As electric vehicles continue to grow in popularity, the demand for reliable home charging solutions has increased. My Service 1 aims to meet this demand by offering professional installation of EV chargers, giving homeowners and businesses convenient, efficient options for keeping their vehicles charged.

The company is also focusing on maintaining the integrity of plumbing systems through sewer line replacement services. Properly functioning sewer lines are key for ensuring a safe and sanitary home environment. My Service 1 offers expertise in this area, promising quick and effective solutions to maintain or restore the efficiency of sewer systems.

"We understand the importance of a well-maintained home, both for comfort and safety," said Fonseca. "By expanding our services, we're not just fixing problems?we're providing peace of mind to our clients, knowing that they have a reliable partner for all their home service needs."

In addition to the new services, My Service 1 continues to offer its hallmark electrical services. These include electrical panel upgrades, which are essential for ensuring that household electrical systems meet modern efficiency and safety standards. The company?s team of trained experts handles everything from minor repairs to major installations, making them a trusted name for all kinds of electrical needs.

For those requiring immediate assistance, My Service 1 offers 24/7 emergency services. Whether it's a plumbing disaster in the middle of the night or an unexpected electrical failure, the company has a team ready to respond promptly at any hour. This level of responsiveness shows the company?s commitment to customer service, ensuring that emergencies are addressed quickly to minimize inconvenience and damage.

The company also provides financing options to make their services more accessible. This flexibility allows customers to finance necessary repairs or upgrades without the burden of upfront costs, offering various plans to fit different budgets. My Service 1 aims to make it easier for homeowners to maintain and improve their properties by removing financial barriers.

Looking ahead, My Service 1 remains dedicated to innovating and expanding its services to meet the changing needs of its customers. As a trusted name in the community, the company continues to uphold its standard of providing high-quality, reliable home service solutions.

In summary, the newly added services?bathroom remodels, EV chargers installation, and sewer line replacement?complement My Service 1's already extensive offerings. With these additions, the company

strengthens its position as a comprehensive provider of both electrical and plumbing solutions, further enhancing the convenience and reliability it provides to its customers.

For more information on the new services offered by My Service 1 or to explore their existing service categories, customers can check out the pages for bathroom remodels, EV chargers, and sewer line replacement on their website. By expanding their service list, My Service 1 reassures its clients of their commitment to providing reliable and comprehensive home solutions.
