GARLAND, TX - June 27, 2024 - PRESSADVANTAGE -

Keathley Landscaping is announcing new services to cater to the unique needs of its clients. Known for their expertise in outdoor spaces, the company now provides specialized services such as drainage solutions and landscape lighting, exclusively for residents in Fate, TX.

"Our community deserves tailored solutions that enhance both functionality and aesthetic appeal," said Mark Keathley, CEO of Keathley Landscaping. "We are confident that these new services will address specific challenges and needs of our customers."

Managing water runoff is key to keeping outdoor spaces sustainable. With the launch of drainage Fate TX services, Keathley Landscaping aims to prevent water damage and erosion. These new solutions control water flow, helping to reduce flooding and other related issues. Each project is customized to fit the individual landscape, ensuring optimal performance and long-lasting results.

The company is also introducing landscape lighting Fate TX. This service focuses on improving both the safety and look of outdoor areas. By lighting up walkways, gardens, and gathering spaces, customers can enjoy their yards even after the sun goes down. Proper lighting also enhances security by deterring potential intruders. The team uses energy-efficient lighting options, which are both eco-friendly and cost-effective.

Having a well-kept lawn is often a key feature of a beautiful property. To address this, Keathley Landscaping now offers specialized sod installation in Fate TX. The team evaluates the soil and environmental conditions to select the best type of sod for the area. This ensures the sod takes root effectively, creating a lush, green lawn that can handle the local climate.

"We constantly strive to improve our service offerings," said Laura Martinez, Chief Operations Officer at Keathley Landscaping. "By listening to our clients and understanding their needs, we can deliver solutions that make their outdoor spaces more enjoyable and functional."

Keathley Landscaping has always been committed to delivering high-quality services like lawn care, garden design, and maintenance. With these new services, the company is reinforcing its dedication to meeting the evolving needs of its customers. The team is highly trained and uses modern equipment to ensure each project is done to the highest standards. Visit their website at keathleylandscaping.com to learn more about their extensive services including landscape design and construction, patios, fences, pergolas, decks, and more.

In addition to these new services, Keathley Landscaping offers ongoing support and maintenance packages to keep landscapes in top condition. Regular inspections and adjustments ensure drainage systems work well, lighting stays effective, and sod remains healthy. This comprehensive approach guarantees long-term satisfaction for their clients.

Keathley Landscaping takes pride in being a trusted partner for outdoor spaces. With the addition of drainage Fate TX, landscape lighting Fate TX, and sod installation in Fate TX, the company now offers an even wider range of services. By focusing on customer needs and providing tailored solutions, the company aims to be the go-to choice for landscaping in the area.
