

BobCAD-CAM Offers Free Trial on CAD/CAM Industry-Leading Software

January 08, 2016

January 08, 2016 - PRESSADVANTAGE -

The team at BobCAD-CAM is thrilled to announce that they are now offering a free trial on their industry-leading CAD/CAM software, which makes it easy to design 2D and 3D models.

BobCAD-CAM specializes in computer aided design and manufacturing technology for CNC programming and cam machine tool metalworking. Their suite of products includes tools for CAD design, machine simulation, art, nesting, laser, plasma, and more.

The BobCAD-CAM Computer-Aided Design (CAD) delivers advanced 2D and 3D design and an enticing interface that makes creating and editing simple and efficient. Customization options give users the power to tailor the design interface to enhance workflow. More information about the trial can be found at <http://bobcad.com/>.

About BobCAD-CAM

BobCAD-CAM offers computer aided design and computer aided manufacturing technology for CNC programming and cam machine tool metalworking.
