

Keathley Landscaping Expands to Highland Park with Expert Yard Drainage Solutions

August 29, 2024

GARLAND, TX - August 29, 2024 - PRESSADVANTAGE -

Keathley Landscaping is excited to expand its range of professional services, now offering yard drainage solutions, sod installation, and outdoor lighting services in Highland Park, Texas. The Dallas-based company has been delivering affordable and high-quality landscaping services since 2002. With this expansion, Keathley Landscaping aims to meet the increasing need for dependable landscaping in Highland Park and nearby areas.

One of their key offerings is solving yard drainage problems, which can lead to serious damage if not handled properly. The company begins with a detailed assessment of the landscape, soil, and water flow patterns to create custom drainage plans. They use a variety of techniques, such as French drains, catch basins, channel drains, and sump pumps, to tackle these issues effectively.

Logan Keathley, the company's CEO, said, "Proper yard drainage is essential for maintaining your property's integrity. Our tailored drainage solutions are designed to prevent water buildup and protect your home from potential damage."

Keathley Landscaping also offers expert sod installation services in Highland Park. With new sod, they can transform a yard into a lush, green space within one to three days, depending on the property's size. They provide different types of grass such as Zoysia, St. Augustine, Bermuda, and Tall Fescue to match various soil and climate conditions.

"Installing new sod is one of the quickest ways to achieve a beautiful, healthy lawn," added Logan Keathley. "We offer a range of options to ensure our clients get the best results for their specific needs."

In addition to yard drainage and sod installation, Keathley Landscaping provides comprehensive outdoor lighting services in Highland Park. They create custom lighting designs to turn outdoor spaces into inviting environments. Options include outdoor living space lighting, patio and arbor lighting, moonlighting, tree lighting, driveway lighting, deck lighting, and outdoor security lighting. They focus on energy-efficient and low-maintenance solutions to ensure long-lasting and cost-effective results.

Over the years, Keathley Landscaping has built a strong reputation for their focus on customer satisfaction and timely service delivery. They serve several Texas areas, including Dallas, Garland, Plano, Wylie, and surrounding locations. Clients have repeatedly praised them for their consistent reliability and high-quality service.

Their Highland Park yard drainage services highlight Keathley Landscaping's commitment to addressing crucial landscaping needs. Custom drainage plans help prevent water damage, maintain the attractiveness of outdoor spaces, and increase property value.

Highland Park outdoor lighting services enhance both the look and functionality of properties. Whether lighting up a garden path, illuminating a deck, or adding security features, these services bring both beauty and practicality to outdoor spaces.

The Highland Park sod installation services show how comprehensive Keathley Landscaping's offerings are. Freshly laid sod not only increases curb appeal but also promotes a healthier lawn, adding to the landscape's overall look and function.

Keathley Landscaping's dedication to high-quality service and customer satisfaction has been a fundamental part of their success. The company continually seeks new ways to expand and improve its services to meet the evolving needs of their clients.
