

The Savvy Marketer Releases Smart Member 2.0 Review

January 11, 2016

January 11, 2016 - PRESSADVANTAGE -

New product from Chris Record offers insight on how to make money with membership sites.

The team at The Savvy Marketer has just released an exclusive review on Smart Member 2.0, the latest product by Chris Record.

According to the team at The Savvy Marketer, "If you have ever wanted to publish your own online course, or build a membership site, then this is 100% for you."

Within the new review, The Savvy Marketer discusses the cost, rating, pros and cons, and more regarding Smart Member 2.0. They also discuss the background of the program's founder, Chris Record.

The Savvy Marketer says that the program can help people launch their own course, create affiliate bonus sites, build lists in any niche, create dynamic bridge pages, and more. Their team gave the program a 4.5 out of 5 stars rating overall. More information can be found at <http://www.thesavvymarketer.net/smart-member-2-review-bonus/>.
