

Garage Door Repair Company In Chandler Now Offers 24/7 Emergency And Same Day Services

January 13, 2016

January 13, 2016 - PRESSADVANTAGE -

Mr Garage Door Repair based in Chandler, AZ, is proud to announce that they have introduced 24 hour emergency service. In addition, they have also assured clients of same day repair service. Both are proving to be incredibly popular.

Jim Durango from Mr Garage Door Repair says: "We've gone through quite a tense time, offering this new service. However, we're happy to see that we have succeeded in it and that our customers are very grateful for the work that we do as well. The pilot tests have now been completed and we are happy to announce that we will offer both 24 hour and same day repair services as standard now."

The company has been offering their Chandler garage door services for many years, and they have built a reputation as being one of the best. The fact that they have now added round the clock and same day services, therefore, has come as very welcome news to their many customers. This is also because their customers now have a one stop shop for all things about garage door repair.

The company has also asked everybody to like the Mr Garage Door Repair Facebook page, where people can be kept up to date with industry news. Additionally, it enables them to leave reviews about the service they have received. "I'm so happy Mr Garage Door Repair went 24/7," says Pascal T. "My fuse had blown and I didn't bring any keys with me, having only in my possession a garage door fob. Needless to say, it didn't work since the power had gone out. Thankfully, Mr Garage Door came to the rescue straight away, and I was able to get into my property again. That's the last time that I'll leave the house without keys, I can tell you that much."

The company has also asked people to bookmark their web page at <http://mrgaragedoorrepair.com/ahwatukee-garage-door-repairs/>. Here, regular news are provided, as well as details about the services the company offers and which areas they cover with their services. The website is proving to be very popular, with people praising it for its user friendly and down-to-earth feel.
